

**MEMORANDUM
COUNTY OF PLACER
DEPARTMENT OF ADMINISTRATIVE SERVICES
PROCUREMENT SERVICES DIVISION**

TO: Honorable Board of Supervisors
FROM: David Seward, Purchasing Manager 
DATE: February 20, 2007
SUBJECT: Approve a Two-Year Extension of Qualified List No. 9286 for Phase I and Phase II Environmental Studies

ACTION REQUESTED

Approve a two-year extension of Qualified List No. 9286 for Phase I and Phase II Environmental Studies, through February 23, 2009 on behalf of the Redevelopment Agency and the Department of Facility Services.

BACKGROUND

On February 24, 2004 the Board of Supervisors approved the award of a competitive Request for Qualifications (RFQ) 9286. As the result, a list of qualified firms was established to perform Phase I and Phase II Environmental Studies on an as-needed basis. The list was established for the period February 24, 2004 through February 23, 2007. During that time, contracts for specific projects have been executed on an as-needed basis. Contracts valued at \$50,000 or more were approved by the Board of Supervisors, and contracts less than that have been approved by the Purchasing Manager or County Executive Officer.

The terms of the RFQ allow the extension of the qualified list for an additional two-year period. These services continue to be required on a regular basis, and the firms who are on the qualified list have performed satisfactorily. The current list is included as Attachment A.

FISCAL IMPACT

There is no fiscal impact related to this action. Contracts will be executed on an as-needed basis and will be funded from the department's budgets. Contracts valued at \$50,000.00 or more will require your Board's approval.
