

MEMORANDUM
COUNTY OF PLACER
ADMINISTRATIVE SERVICES DEPARTMENT
PROCUREMENT SERVICES DIVISION

TO: Honorable Board of Supervisors

FROM: David Seward, Purchasing Manager *DS*

DATE: March 6, 2007

SUBJECT: Approve the Award of Competitive Bid Nos. 9649 and 9650 to Various Vendors for Aggregate Materials and Hauling in the Maximum Aggregate Amount of \$751,500.00

ACTION REQUESTED

Approve the award of competitive Bid Nos. 9649 & 9650 for aggregate materials and hauling to various vendors as detailed in Exhibit A, and authorize the Purchasing Manager to sign the resulting blanket purchase orders in the maximum aggregate amount of \$751,500.00.

BACKGROUND

The Department of Public Works – Road Maintenance Division requires annual contracts with material suppliers and haulers that are used in their road maintenance programs. Procurement Services solicited bids separately for the aggregate materials and the transportation of the materials, and posted both bids on the Procurement website. Eleven firms responded to Bid No. 9649 for aggregate materials, and nine firms responded to Bid No. 9650 for aggregate hauling. The bids were evaluated by comparing the most favorable combination of material and hauling costs to various destinations, and included consideration for local vendor preference and prompt pay discounts. The evaluation methodology was clearly identified in each solicitation. A summary of the recommended awards and contract amounts is submitted as Exhibits A and B. The complete bid evaluation is on file with the Clerk of the Board.

FISCAL IMPACT

The blanket purchase orders resulting from this recommendation will be issued in the maximum aggregate amount of \$751,500.00, for the period of March 6, 2007 through December 31, 2007. Public Works has budgeted appropriately for these operational and maintenance expenses in their FY 2006-07 budget.
