

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS DATE: MAY 8, 2007  
FROM: KEN GREHM / PETER KRAATZ  
SUBJECT: PROFESSIONAL SERVICES AGREEMENT (PSA) NO. KN020715, AMENDMENT  
NO. 1, FOR THE KINGS BEACH COMMERCIAL CORE IMPROVEMENT PROJECT

---

## ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution authorizing the Chairman to sign PSA No. KN020715, Amendment No. 1, with Dokken Engineering in the amount of \$45,637 to conduct additional roundabout analysis and authorize the Director of Public Works to approve and sign future amendments up to \$5,000.

## BACKGROUND / SUMMARY

The Kings Beach Commercial Core Improvement Project is located in Kings Beach along State Route 28 between Highway 267 and Chipmunk Street (see attached location map, Exhibit B). Project goals are to improve pedestrian and bicycle mobility, water quality and aesthetics by installing sidewalks and curb and gutter.

In January 2006, Dokken Engineering prepared the draft Project Report under contract with the County's prime environmental consultant.

In October 2006, the Procurement Department approved PSA No. KN020715 with Dokken Engineering for the preparation of detailed roundabout analysis to support the preliminary design.

Pursuant to the proposed amendment, Dokken Engineering will provide an initial level of analysis required to assess various project locations for the suitability of roundabout implementation and to provide a detailed study regarding anticipated project costs versus project value. Lastly, Dokken Engineering will prepare design exception applications for proposed roadway design approval. The project is identified in the Tahoe Regional Planning Agency Environmental Improvement Program (EIP) as Project EIP No. 10600.

## ENVIRONMENTAL

The professional services agreement is exempt from CEQA, pursuant to CEQA Guidelines, Section 15306, Information Collection, Class 6 provisions pertaining to data collection, research, and resource evaluation.

## FISCAL IMPACT

With Amendment No. 1, the total consultant cost will be \$60,621. The original cost of this PSA with Dokken Engineering was \$14,984. The PSA is fully funded through grants from federal, state, and local funds. Funding for this amendment is included in the 2006-07 Fiscal Year Budget.
