

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS DATE: May 8, 2007
FROM: KEN GREHM / ^{JGD} KEVIN ORDWAY
SUBJECT: **RIGHT-OF-WAY CERTIFICATIONS**

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution authorizing the Director of Public Works to execute Right-of-Way Certifications with the California Department of Transportation.

BACKGROUND / SUMMARY

When a Public Works project utilizes Federal or State Funding, or when the project is adjacent to a State Highway, a Right-of-Way Certification document is required to be filed with Caltrans. The Certification demonstrates that certain project activities conform to Federal and State Regulations; e.g. Right-of-Way Acquisition, Utility Relocation, Affected Railroad Facilities, Compliance with Relocation Assistance Programs, etc. The Director of the Department of Public Works has historically signed the Right-of-Way Certification. Caltrans District 3 has recently requested this authority be formalized with the adoption of a Resolution by the Board of Supervisors. Adoption of the attached resolution will allow the Director of Public Works to approve and sign right-of-way certifications.

ENVIRONMENTAL CLEARANCE

This action is categorically exempt from the provisions of CEQA Section 15061(b)(3); no potential to cause significant environmental impact.

FISCAL IMPACT

There is no fiscal impact anticipated to result from this action.
