**MEMORANDUM
DEPARTMENT OF FACILITY SERVICES
COUNTY OF PLACER**

To: **BOARD OF SUPERVISORS**Date: **MAY 22, 2007**From: **JAMES DURFEE / WILL DICKINSON**Subject: **FRANCHISE FEE REDUCTION IN GARBAGE COLLECTION
FRANCHISE AREAS 1 AND 4**

RECOMMENDED ACTION: Approve the attached Ordinance amending Section 8.16.470 of the Placer County Code to reduce the Franchise Fee in Garbage Collection Franchise Areas 1 and 4 (western Placer County) from 10% to 8%.

BACKGROUND: Garbage Collection Franchise Areas 1 and 4 include all parts of unincorporated Placer County west of Colfax, including the Foresthill and Iowa Hill Divides. The garbage collection contract for Franchise Areas 1 and 4 also includes operation of the Foresthill and Meadow Vista Transfer Stations.

Section 8.16.470 of the County Code establishes Franchise Fees that are used to fund management of the County's Solid Waste Program. The current Franchise Fee in Franchise Areas 1 and 4 is 10% and is included in customers' garbage collection bills and gate fees charged at the transfer stations. Staff has determined that the Franchise Fee can be reduced from 10% to 8% and still maintain adequate funding to operate, monitor and maintain the existing solid waste facilities with a reasonable contingency for unexpected occurrences.

If your Board approves the Ordinance, staff will return to your Board with revised garbage collection rates for Franchise Areas 1 and 4 that reflect the lower Franchise Fee.

ENVIRONMENTAL CLEARANCE: Reducing the Franchise Fee is not considered a "project" under the California Environmental Quality Act, therefore environmental review is not required.

FISCAL IMPACT: Reducing the Franchise Fee from 10% to 8% will reduce revenue to the Solid Waste Management Enterprise Fund (4500) by approximately \$250,000 per year. This will bring annual revenues and costs into closer alignment, while providing a reasonable contingency for unexpended expenditures.
