Subject: Forest Hill Forum - MAC

Good morning Bruce,

As a mining consultant my work can take me just about anywhere in the western US and this time it's to the great mining state of Nevada. I was made an offer I just couldn't turn down and it starts next week and will likely go through October. It will likely be three or four days per week and will take priority over any other activities I have. One never knows about work like this. It could turn out to be seven days a week for awhile. I'm helping design a mill and processing system for processing micron gold and it will be an exciting project.

Because of this I feel that I you need to replace me on the Foresthill Forum. The MAC needs lots of participation and full time attendance. I won't be able to provide that.

Therefore please accept my resignation effective Monday May 28th. It has been a pleasure being part of this group and I want to thank you for having selected me to be part of this Advisory Council.

I will still remain very active as time permits. Thank you for all the great work you do for the County and for Foresthill.

Sincerely,

Don Robinson
