KidZKount

Strengthening Families for a Better Tomorrow

KidZKount, as Placer Community Action Council, Inc., has provided preschool to qualified children through the Federal Head Start Program in Placer and Nevada Counties since 1965. With funds raised through our annual golf tournament and other activities, KidZKount has been able to fund additional programs such as the nationally recognized "Daddy Read To Me" program, and medical endowments for children without adequate medical and/or dental coverage.

KidZKount is now expanding its expertise with the introduction of a Summer Camp Program for Kindergarten Preparedness and AFFORDABLE before and after school care. Surveys indicate these services are of primary concern to parents in our community today. These programs are successful with the generous support and sponsorship of businesses and individuals in our community.

Our children are our future and we have a responsibility to insure this future. KidZKount is dedicated to playing its part and we are asking for your assistance in this endeavor.
