MEMORANDUM PROBATION DEPARTMENT COUNTY OF PLACER

TO: Honorable Board of Supervisors
mcc

FROM: Stephen G. Pecor, Chief Probation Officer

DATE: April 29, 2008

SUBJECT: Juvenile Justice Crime Prevention Act (JJCPA)

ACTION REQUESTED

Adopt the attached resolution appointing the Chief Probation Officer as the Chair of the Placer County Juvenile Justice Coordinating Council; and, authorizing said Chair to submit Placer County's Application for Approval for the County's Comprehensive Multiagency Juvenile Justice Plan Modification, estimated to be \$940,626 in Fiscal Year 2008 - 2009.

BACKGROUND

The Schiff-Cardenas Juvenile Justice Crime Prevention Act (JJCPA) requires the development of a Comprehensive Multiagency Juvenile Justice Plan (CMJJP) modification to be developed by the Juvenile Justice Coordinating Council (JJCC) in each county on an annual basis. The CMJJP is to address the continuum of response to juvenile crime and delinquency, to identify existing services, and to identify and prioritize juvenile services needed within the County.

Each county is eligible to receive JJCPA Funds based on a per capita distribution. Placer County's state allocated JJCPA funds for Fiscal Year 2008 - 2009 are estimated to be \$920,626 (an additional estimated \$20,000 in interest income). This is a 10% decrease, as proposed by the Governor in January, over the fiscal year 2007 - 2008 allocation. The Probation Department plans on absorbing the decrease by using \$45,000 in unspent prior year monies, \$20,000 in expected interest income from these monies, and the remaining \$24,240 in reductions would be absorbed throughout the four program areas with no significant impact this year. Should the proposed reduction for FY08-09 continue into future years, the JJCC may need to prioritize and/or eliminate programs to maintain a balanced budget for these activities.

The Juvenile Justice Coordinating Council completed the CMJJP Modification as required by statute. That plan has been reviewed by the Corrections Standards Authority, as required, and has received final approval contingent upon approval by the Board of Supervisors of the plan and the attached resolution. The Corrections Standards Authority requires a resolution from the Board of Supervisors to finalize the plan approval/modification process.

The Placer County Plan Modification continues the focus on four program areas:

1. Maintenance of a Crisis Resolution Center to provide temporary housing/respice care for runaways and services to reunify and strengthen families.
2. Maintenance of the Youth Resource Center in South Placer to provide a myriad of structured, scheduled programs to youths on probation.
3. Maintenance and enrichment of program options at the Juvenile Detention Facility.
4. Creation and maintenance of a program to provide Diversion services to eligible minors and their families in the Tahoe Basin.

FISCAL IMPACT

There is no General Fund impact as a result of the application for JJCPA funds.
