Dear Community Leader:

Excellent education leads students to become thoughtful and productive citizens. With that in mind, we have formed our new community foundation to seek continued excellence in education for the Roseville City School District and the children of the Roseville community. Therefore, we are seeking the involvement of community members ready to forge partnerships among schools, parents, business, and others in support of children and the schools they attend.

The Roseville City School Foundation raises money and provides grants, resources, and partnerships to benefit students, teachers and the educational community as a whole. The next fundraising event is the 4th Annual 5K Fun Run/Walk at Junction Elementary School in WestPark Roseville on Saturday, May 17, 2008. This fun-filled, community event features many sponsorship opportunities and we would like to request your support.
