

**MEMORANDUM  
DEPARTMENT OF FACILITY SERVICES  
COUNTY OF PLACER**

To: **BOARD OF SUPERVISORS**

Date: **June 24, 2008**

From: ***J*JAMES DURFEE**

Subject: **CREEKVIEW RANCH MIDDLE SCHOOL; AGREEMENT AUTHORIZING THE PROVISION OF RECYCLED WATER**

**ACTION REQUESTED / RECOMMENDATION:** It is recommended that your Board authorize the Chairman to execute an Agreement Authorizing the Provision of Recycled Water to the Creekview Ranch Middle School, located at 8879 Cook Riolo Road in Roseville.

**BACKGROUND / DISCUSSION:** The Dry Creek Joint Elementary School District (District) is presently constructing the Creekview Ranch Middle School. The District's plans include the use of reclaimed water for irrigation purposes, in policy compliance with the Dry Creek Community Plan. Recycled water for this area is provided from the City of Roseville's Dry Creek Wastewater Treatment Plant in accordance with the City's Master Reclamation Permit. In order to allow the City to provide reclaimed water service to this project located in the unincorporated county, Facility Services recommends entering into an agreement with the City providing specific authorization for provision of this service. Your Board's approval of this Agreement Authorizing Provision of Service will allow the District and the City to finalize a detailed service agreement specifying the technical terms for service to be provided. A copy of the Agreement Authorizing the Provision of Recycled Water to the Creekview Ranch Middle School including all exhibits is available for review at the Clerk of the Board's Office.

**ENVIRONMENTAL CLEARANCE:** Environmental review analyzing the construction of the Creekview Ranch Middle School was undertaken by the Dry Creek Joint Elementary School District. Approval of the Agreement Authorizing the Provision of Recycled Water does not entitle the use of water or the construction of infrastructure, and is not a Project as defined by the California Environmental Quality Act. Approval of this Agreement does not, therefore, require environmental review.

**FISCAL IMPACT:** There is no fiscal impact associated with the recommended action.

A COPY OF THIS AGREEMENT IS AVAILABLE AT THE CLERK OF THE BOARD'S OFFICE
