

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS County of Placer

TO: BOARD OF SUPERVISORS DATE: July 8, 2008
FROM: KEN GREHM / ANDREW GABER
SUBJECT: NO PARKING ON VARIOUS COUNTY ROADS ORDINANCE

ACTION REQUESTED / RECOMMENDATION

Conduct a Public Hearing and adopt an Ordinance establishing new and amended parking restrictions on certain portions of particular roads.

BACKGROUND / SUMMARY

The Department routinely receives and reviews requests for parking restrictions along County maintained roadways, generally as a result of sight distance concerns. The new Ordinance is a compilation of current location requests and clarifications from prior years that were never formally approved by the Board. Staff undertook the review of parking restrictions within the County after determining there were instances where parking restrictions had been implemented, with appropriate curb painting, signing and review by staff, but there was no record of formal approval by the Board. Per the California Vehicle Code Section 22507(a), recipients of parking violations could challenge the ticket by stating that the restrictions had not been formally adopted by the Board and therefore, not enforceable. However, with Board adoption, the parking restrictions will be legally enforceable.

ENVIRONMENTAL

This action is exempt under CEQA guidelines per Section 15301(c), Operation of Existing Streets and Highways.

FISCAL IMPACT

Since the majority of the required signs and curb painting is already installed, the cost to place the remaining signs/curb painting will be minimal, and will be absorbed in the Road Fund.
