DATE: September 9, 2008

SUBJECT: Ratify the Award of Purchase Order No. PO089678 to Baldoni Construction for Emergency Paving Services in the Total Amount of \$20,789.00

ACTION REQUESTED

Ratify the award of Purchase Order No. PO089678 to Baldoni Construction of Newcastle, CA, for emergency paving services in the total amount of \$20,789.00.

BACKGROUND

On Monday, August 18, a sewage leak occurred on Auburn Ravine Road, which required a portion of the road to be removed to gain access to the leak. Facility Services performed the necessary cleanup and repairs. Although the roadway is located within the city limits of Auburn, the County is responsible for repairs to the roadway. The sewage line broke again on the evening of Tuesday, August 19, which resulted in further damage to the road as crews repaired the broken line and conducted cleanup efforts. In order to re-open the road to through traffic, Facility Services submitted a requisition to award a Purchase Order to Baldoni Construction for emergency paving services in the maximum amount of \$20,789.00. Baldoni Construction is appropriately licensed and has provided sufficient proof of insurance which is on file in the Procurement Office.

Since these repairs are necessary to avoid a substantial hazard to life or property, Purchase Order No. PO089678 was issued in accordance with PPM 1.3(m) which authorizes the Purchasing Manager to issue a purchase order without soliciting competitive bids. The California Public Contract Code Section 22050 requires that your Board review the emergency action and ratify the issuance of the purchase order.

FISCAL IMPACT

The purchase order has been issued to Baldoni Construction in the total amount of \$20,789.00. Facility Services' Fiscal Impact Statement is attached.
