Dear contributor,

On behalf of the Roseville Fire Fighters Association, we would like to request your support for our Seventeenth Annual Benefit Golf Tournament to be held October 13, 2008 at Timber Creek Golf Course. Proceeds from this event have always been dedicated to support local programs that benefit those in our community. The primary recipients of the profits are the many School Districts within Placer County for their Outstanding Teacher Program. This program recognizes those teachers within our area who go above and beyond their normal responsibilities to make learning fun for our children in new and innovative ways. We also have an opportunity to extend our reach and assist fellow firefighters and their families should tragedy ever befall another Brother or Sister regardless of location.

Additional beneficiaries have included programs and organizations such as:

- ❖ Firefighters Burn Institute
- ❖ Sacramento Area Fire Chaplaincy Program
- ❖ Sacramento Community Outstanding Teachers Association

Here's how you can help us this year!

- By making a financial contribution or donation of goods and services to help offset the overhead costs of the event.
- By making a donation of products, goods or services that can be used as raffle prizes during this event. (Raffle tickets will be sold at the door of the dinner)

In return for your support and generosity, each sponsor will receive recognition in our event program as well as at the tournament banquet.
