**COUNTY OF PLACER**  
**ADMINISTRATIVE SERVICES DEPARTMENT**  
**PROCUREMENT SERVICES DIVISION**

**TO:** Honorable Board of Supervisors

**FROM:** Jim Boggan, Purchasing Manager *by AP*

**DATE:** January 13, 2009

**SUBJECT:** Approve the Award of a Sole Source Purchase Order to Accela Inc. for Software Maintenance and Support of the Permit Tracking System for Land Development in the Amount of \$95,393.89

---

**ACTION REQUESTED**

Approve the award of a sole source purchase order to Accela Inc. for software maintenance and support of the Permit Tracking System for Land Development purposes and authorize the Purchasing Manager to sign the resulting purchase order in the amount of \$95,393.89.

**BACKGROUND**

On February 18, 2003 your Board approved the award of RFP No. 8950 to Accela, Inc. to provide and install a permit tracking system, including two years of software maintenance and support, for the land development divisions (Building, Planning, Environmental Health, etc.). This system integrates the common information and various permit processing functions for which those divisions are responsible. On February 5, 2008 your Board approved the fourth annual renewal of the necessary software maintenance and support agreement, which is due to expire on February 18, 2009.

The original contract allows the vendor to increase maintenance and software support pricing by not more than 4 percent per year for continuing maintenance. Accela has requested an increase of 4 percent for the next one-year period. This increase is reasonable in comparison to the Bureau of Labor Statistics' Consumer and Producer Price Indexes for the period.

**FISCAL IMPACT**

Accela has quoted a total price of \$95,393.89 for maintenance and support of the Permit Tracking System for the period February 18, 2009 through February 17, 2010. Administrative Services' Fiscal Impact Statement is attached.
