

MEMORANDUM
COUNTY OF PLACER
DEPARTMENT OF ADMINISTRATIVE SERVICES
PROCUREMENT SERVICES DIVISION

TO: Honorable Board of Supervisors

FROM: Jim Boggan, Purchasing Manager *JB*

DATE: January 27, 2009

SUBJECT: Approve the Award of Competitive Request for Qualifications No. 9859 for Sewer Line Video Inspection Services and Adopt a List of Qualified Firms

ACTION REQUESTED

Approve the award of competitive Request for Qualifications (RFQ) No. 9859 for sewer line video inspection services and adopt a list of qualified firms to provide video inspection services, effective for a three-year period.

BACKGROUND

On behalf of the Department of Facility Services, Procurement Services Division requested sealed statement of qualifications (SOQ) from one hundred twenty-five firms and posted RFQ 9856 on the County's website to establish a list of qualified contractors for various cleaning and video inspection projects throughout Placer County. These services will be requested on an as-needed basis by the Department of Facility Services. Formal responses were received from seven firms.

An evaluation panel rated the responses in accordance with the evaluation criteria contained in the RFQ. Attachment A shows the panel's individual and collective scores. The final rankings are the result of the panel's consensus after discussion. Based on a natural break occurring between the overall scores of the fourth and fifth ranked firms, the panel determined that it is appropriate to recommend the top four firms for inclusion on the list. These firms are Coastline Water Resources of Sacramento; PSC Industrial Outsourcing of Benicia, CA; AAA Pipeline Inspection of Orangevale and Cal Sierra Construction of Carmichael.

Upon your Board's approval, the firms will be placed on a qualified list effective for three years from January 27, 2009 through January 26, 2012.

FISCAL IMPACT

There is no immediate fiscal impact resulting from this action. Individual contracts will be negotiated with one or more firms as needed, and the resulting expenditures will be funded from existing budgets or project funds, as appropriate. Contracts of less than \$50,000.00 may be executed by the Purchasing Manager. Contracts of \$50,000.00 or more will require your Board's approval.
