

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS

DATE: February 10, 2009

FROM: KEN GREHM / ^{KGD}PETER KRAATZ

SUBJECT: INTERSECTION IMPROVEMENTS AT STATE ROUTE 49 AND NEVADA STREET /
MARGUERITE MINE ROAD PROJECT AWARD OF CONSTRUCTION CONTRACT NO.
1066

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution authorizing the Chairman of the Board to award and execute the construction contract, after County Counsel review and approval of necessary bonds and insurance, for the Intersection Improvements at State Route 49 and Nevada Street / Marguerite Mine Road Project to Tim Paxin's Pacific Excavation, Inc. for \$199,937.00 and to authorize the Director of Public Works to approve contract change orders up to \$30,000 of the contract amount.

BACKGROUND / SUMMARY

The current intersection configuration at State Route 49 and Nevada Street/Marguerite Mine Road does not provide for protected left turn movements onto the State Highway. This proposed project will modify the signal configuration, improve pedestrian accessibility, and re-stripe the intersection to provide for protected left turn movements with a double left turn movement from Nevada Street onto Northbound State Route 49.

Your Board approved Cooperative Agreement 03-0358 between the State of California and the County on November 4, 2008 which provides the framework for splitting the construction cost equally between the two agencies. Caltrans prepared the project plans and specifications at their expense and the County will provide the construction engineering at the County's expense.

ENVIRONMENTAL

This project is Categorical Exempt from CEQA under Section 15301 – Class 1(c)(f) and a Notice of Exemption has been filed.

FISCAL IMPACT

The contract price of \$199,937 is under the engineer's estimated construction cost for this project of \$278,000. Funding for the project is included in the 2008/2009 fiscal year budget, with the State of California Department of Transportation providing 50% of the funding and the remaining 50% will be provided by traffic impact fees.
