

**MEMORANDUM  
DEPARTMENT OF FACILITY SERVICES  
COUNTY OF PLACER**

To: **BOARD OF SUPERVISORS**

Date: **FEBRUARY 10, 2009**

From: **J.D. JAMES DURFEE / WILL DICKINSON (w/d)**

Subject: **AGREEMENT FOR WATER QUALITY MONITORING SERVICES AT THE  
CLOSED LANDFILL SITES**

**RECOMMENDED ACTION:** Authorize the Chairman to sign an agreement with SCS Engineers for water quality monitoring services at the Meadow Vista, Loomis, Foresthill and Eastern Regional Landfills for an amount not to exceed \$163,457.

**BACKGROUND:** The Waste Discharge Requirements issued by the California Regional Water Quality Control Board establish requirements for ongoing water quality monitoring at the closed County landfill sites (Meadow Vista, Loomis, Foresthill and Eastern Regional). SCS Engineers is on the County's list of pre-qualified consulting firms and has provided these services at the County's closed landfills since 2006. Based on SCS Engineers' past performance and familiarity with the sites, staff believes they are the best qualified firm to provide water quality monitoring services at the closed landfill facilities. In addition, SCS Engineers submitted the lowest cost proposal during the 2006 consultant selection process and has had minimal increases to their hourly rates since that time.

Staff negotiated an agreement with SCS Engineers to provide water quality monitoring services for calendar year 2009. The agreement provides for semi-annual sampling, analysis and reporting of surface water, groundwater, vadose zone, leak detection and leachate monitoring networks at the closed landfills. The overall cost for this year's work is less than a two percent increase over last year for the same scope of work. A copy of the agreement is available for review at the Clerk of the Board's Office.

**ENVIRONMENTAL CLEARANCE:** All work required under this agreement is categorically exempt from environmental review under Section 15306 of the CEQA Guidelines – Information Collection.

**FISCAL IMPACT:** The total cost of providing services included in the agreement is an amount not to exceed \$163,457. This is an anticipated expense and funding is included in the FY 2008/09 Budget: 0450-Solid Waste Management (\$105,868) and 0289-Eastern Regional Landfill (\$57,589).
