Dear Board of Supervisors,

3/31/09

I am very interested in the position on the Fish and Game commission. I have what I call a "reasonable man" philosophy/approach to life. I am often frustrated by what I see in government and the Department of Fish and Game is often included in that frustration. I am a hunter and fisher, (I have pictures to prove it) so this commission seems the perfect place for me to serve. I do not expect that I will have any policy changing effect or influence. But, it would be nice to have the opportunity to put in my two cents worth. As a self employed Freelance Photographer, I will likely make the meetings...every one of them. Even if some come to hope I might miss them. I plan on having an active participation. For more information about me both personal and professional pleas feel free to visit my web sight.

Sincerely;

Ron Salter
