

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS

DATE: May 12, 2009

FROM: KEN GREHM / ^{XD}CRAIG SMITH

SUBJECT: **RADAR SPEED FEEDBACK SIGN, POLE AND FOUNDATION**

ACTION REQUESTED / RECOMMENDATION

- 1) Adopt a Resolution approving project plans and specifications, and authorize the Department of Public Works to advertise for bids to purchase and install one Solar Powered Radar Speed Feedback Sign, Metal Pole, and Foundation; and
- 2) Approve a Budget Revision in the amount of \$15,000 for the purchase of one Solar Powered Radar Speed Feedback Sign, Metal Pole, and Foundation and Approve the addition of same to the Master Fixed Asset List.

BACKGROUND / SUMMARY

Placer County has had a multi-year conversation with Caltrans about traffic safety at the intersection of State Route 65 and Riosa Road in Sheridan. In October 2008, Placer County Public Works Transportation Division and Caltrans agreed upon a list of specific safety improvements for the location. One of the improvements is the installation of a permanent Radar Speed Feedback Sign on the northbound side of State Highway 65 to alert drivers of the speed limit and their actual vehicle speed. Caltrans has recently approved an Encroachment Permit for the installation of said sign by Placer County within the State right of way. The exact radar speed feedback sign and pole/foundation type required for this project were specified by Caltrans in the Encroachment Permit. Upon approval of the above actions for this project, including sign purchase and pole/foundation, installation will go out for competitive bidding.

ENVIRONMENTAL

This project is categorically exempt as there is no possibility that this will have an effect on the environment per CEQA Guidelines Section 15061(b)(2).

FISCAL IMPACT

The radar speed feedback sign and installation is funded by the CEMEX Gravel Plant as a mitigation of project impacts. The funds have been received and are being held for this project.
