Welcome to the L.I.F.E. Center!

The L.I.F.E. Center offers programs that exercise the mind, the body and the spirit. The Center's activities of table games, crafts, companionship, exercise, and conversation provide an opportunity for active socialization, one of the most important factors in keeping seniors alert, independent and alive. All our classes are led by well-qualified caring teachers.

Entertainment such as musicians, magicians or other performers (e.g., Hawaiian Senior Hula Dancers) and lectures on health, finances, legal issues, civic involvement and safety round out the Center offerings.

The L.I.F.E. Center provides a pleasant atmosphere where seniors over 55 years of age can enjoy leisure through social and educational activities with peers. We are men and women over 55 years of age who join together to enjoy each other's company, share our joys and sorrows, play table games, work on crafts, participate in an exercise program and at noon sit down together to enjoy a nutritious lunch.
