

**MEMORANDUM
COUNTY OF PLACER
DEPARTMENT OF ADMINISTRATIVE SERVICES
PROCUREMENT SERVICES DIVISION**

TO: Honorable Board of Supervisors

FROM: Jim Boggan, Purchasing Manager *JB*

DATE: July 21, 2009

SUBJECT: Approve the Renewal of Blanket Purchase Order No. 15844 as a Result of Competitive Bid No. 9422 with Anderson's Sierra Pipe for Plumbing Supplies in the Maximum Amount of \$79,000.00

ACTION REQUESTED

Approve the renewal of Blanket Purchase Order (BPO) No. 15844 with Anderson's Sierra Pipe, Inc. of Auburn in the maximum amount of \$79,000.00 for plumbing supplies for the Facility Services Department, and authorize the Purchasing Manager to sign the resulting BPO.

BACKGROUND

On April 27, 2005, your Board approved the split award of Competitive Bid No. 9422 to Anderson's Sierra Pipe and General Plumbing for the purchase of plumbing supplies for Facility Services, Emergency Services, Sheriff and Public Works Departments. The most recent renewals of these BPOs expired on June 30, 2009. The departments have requested to renew these BPOs for a fourth year. Departments need these near-by local suppliers for "will call" purchases in order to make same day repairs. Anderson's Sierra Pipe and General Plumbing are the only distributors in the area that carry the breadth of inventory required by the County. A new bid would be unlikely to produce better prices or new, appropriately located suppliers. Therefore, under Section 1.3 (o) of the Purchasing Policy Manual, the Purchasing Manager determined that it is in the best interest of the County to renew these BPOs again.

Only one BPO renewal with Anderson's Sierra Pipe requires your Board's approval. The other renewals are within the Purchasing Manager's approval and signature authority. Anderson's Sierra Pipe has agreed to renew for another year with price increases for only 6 out of 98 items on the BPO product list and with the same or better pricing than the prior renewal period for the remaining products. An evaluation of renewal pricing is attached. Upon your Board's approval, this fourth renewal shall be effective July 21, 2009 through June 30, 2010.

FISCAL IMPACT

The BPO resulting from this recommendation will total \$79,000.00. Facility Services has budgeted sufficiently for these expenditures. The Departments' Fiscal Impact Statement is attached.
