To: Honorable Board of Supervisors
From: Edward N. Bonner, Sheriff Coroner-Marshal
Date: July 21, 2009
Subject: Specialized Equipment from the 09/10 Local Community Benefit Committee Grant

BOARD ACTION REQUESTED

Your Board is requested to authorize the early purchase of a Scout IR Tactical Reconnaissance Robot System for an estimated amount of \$9,813 to be utilized by the Special Enforcement Team (SET) when accessing multi-level buildings. Approval is also requested for the attached Budget Revision, authorization to add the equipment to the Master Fixed Asset List, and authorization for the Purchasing Manager to execute any related purchasing documents. There is no fiscal impact to the General Fund.

BACKGROUND

In May 2009, we were notified of a grant award from the Local Community Benefit Committee to purchase a Recon Scout IR tactical reconnaissance robot system. Given the completion of the hotel by the United Auburn Indian Community, this robot will be a critical tool should the need ever arise. This system is designed to provide immediate video surveillance to law enforcement personnel in hostile environments and areas that are otherwise difficult to access. Your Board's approval is needed to purchase this equipment, the budget revision and increase to the Master Fixed Asset List of an estimated \$9,813. Additional approval for early purchase is required for any additions to the Master Fixed Asset List until such time as the State has finalized their FY 2009-10 Budget.

FISCAL IMPACT

The funds required to purchase this equipment will come from the Local Community Benefit Committee Grant Program and will be added to the SET Program in the Grants Appropriation with the attached Budget Revision. Funds received from this program must be utilized to purchase equipment specific to this program. There is no fiscal impact to the General Fund.
