PLACER COUNTY HEALTH AND HUMAN SERVICES
Environmental Health Division**

TO: Honorable Board of Supervisors

FROM: Richard J. Burton, M.D., M.P.H.
Placer County Health Officer and Director of Health & Human Services
Jill Pahl, R.E.H.S., Director of Environmental Health Division

DATE: September 22, 2009

SUBJECT: Reaffirm the Proclamation of a Local Health Emergency made by the County Health Officer on September 1, 2009

ACTION REQUESTED:

Adopt the attached Resolution reaffirming the Proclamation of a Local Health Emergency made by the County Health Officer on September 1, 2009.

BACKGROUND:

The California Health and Safety Code provides emergency authority to Local Health Officers when public health and safety are at risk. This emergency authority may be declared in the event of a fire or other disaster, when hazardous waste is an imminent threat to the public health and safety. The emergency authority exists while the Board of Supervisors is not in session and must be reaffirmed by the Board within seven days. Once initially reaffirmed by the Board, the Local Health Emergency Proclamation must be reaffirmed every 14 days until the public health and safety are no longer at imminent risk.

Due to the severe public health and safety risk related to the "49 Fire" that impacted North Auburn on August 30, 2009, Doctor Richard J. Burton, M.D., M.P.H., Placer County Health Officer, declared a Local Health Emergency on September 1, 2009.

On September 2, 2009, at a noticed special meeting and on September 8 at a noticed regular meeting, your Board reaffirmed by Resolution the Local Health Emergency proclamation. State law and local ordinance requires your Board to review and reaffirm the proclamation every 14 days until circumstances dictate otherwise.

FISCAL IMPACT:

There is no impact to the County General Fund as a result of this action.

**PROCLAMATION OF A LOCAL HEALTH EMERGENCY
BY THE COUNTY HEALTH OFFICER**

WHEREAS, the California Health and Safety Code, Division 101, Part 3, Chapter 2, commencing with §101075 confers upon Local Health Officers of the political subdivisions of this state emergency powers necessary to protect public health and safety;

WHEREAS, §101080 of the California Health and Safety Code, states that "the local health officer may declare a local health emergency in the jurisdiction or any area thereof" affected by hazardous waste which is an imminent threat to the public health;

WHEREAS, Health and Safety Code Section 101080 empowers the local health officer to proclaim the existence of a local health emergency when this county or any area of the county is affected or likely to be affected by such a public health threat while the Board of Supervisors is not in session, which shall expire if not ratified by the Board of Supervisors within seven days and is subject to reaffirmation every 14 days thereafter until such local health emergency is terminated; and,

WHEREAS, the Health Officer of the county of Placer does hereby find:

1. That conditions of certain hazardous waste in the northern Auburn area of the County in the form of debris resulting from a fire occurring on August 30, 2009, and which involved destruction of a number of structures, poses a substantial present or potential hazard to human health and the environment unless immediately addressed and managed; and
2. That the Board of Supervisors of the County of Placer is not in session and cannot immediately be called into session; and
3. That the aforesaid threat to public health necessitates the proclamation of the existence of a local health emergency.

NOW, THEREFORE, IT IS HEREBY PROCLAIMED that a local health emergency is now threatened to exist in northern Auburn in this county due to hazardous waste in the form of debris from a recent fire; and,

IT IS FURTHER PROCLAIMED AND ORDERED that during the existence of said local emergency the powers, functions, and duties of the Health Officer shall be those prescribed by state law, including the provisions of Section 101085 of the Health and Safety Code, and by ordinances and resolutions of this county approved by the Board of Supervisors.
