**MEMORANDUM  
PERSONNEL DEPARTMENT  
COUNTY OF PLACER**

**To:** Board of Supervisors  
**From:** Civil Service Commission  
**By:** Nancy Nittler, Personnel Director *NN*  
**Date:** October 6, 2009  
**Subject:** Recommendations from the Civil Service Commission affecting the classification, compensation and allocation of positions for the Sheriff's Department

---

**ACTION REQUESTED:**

Approve the attached ordinance with recommendations as submitted by the Civil Service Commission from their regular meeting held May 11, 2009 as delineated below:

- 1) The proposed creation of the new classification of Dispatch Services Manager, salary grade 427 (\$5989 - \$7278 monthly) to be allocated to the Sheriff's Department.
- 2) The proposed abolishment of the classification of Communications Services Manager, salary grade 437 (\$6614 - \$8039 monthly) from the allocation to the Sheriff's Department.

**BACKGROUND INFORMATION**

With the support of the CEO's office and Personnel, the Sheriff's Department initiated a comprehensive organizational study to be conducted by the Matrix Consulting Group in August of 2007. Based on the results of the analysis, it was recommended that a non-sworn management position be established to oversee all dispatch operations with specific emphasis on dispatch services alone. The Civil Service Commission has approved the creation of and specification for the new classification of Dispatch Services Manager. The Personnel Department and County Executive Office have met and conferred with PPEO and hereby submit the recommended creation and salary for this position for your Board's review and approval.

One component of the Matrix study included a compensation analysis of all classifications in the Unit, which considered both internal relationships within the proposed new series, as well as current labor market data. Based on the results of their analysis, Matrix recommended that the salary for this proposed position be set at Range 427. This recommendation is consistent with the County's current classification plan and appropriately reflects the type and scope of duties performed for similar County classifications in this same salary range.

**FISCAL IMPACT**

Funds are included in the current FY 2009/2010 Sheriff's Department budget for these expenses resulting in no additional fiscal impact to the General Fund. The Communications Services Manager is a higher classification than that of the Dispatch Services Manager. The additional funds will be used to offset and neutralize other staffing adjustments anticipated within the unit and the department.

**RECOMMENDATION**

It is recommended that your Board approve the attached ordinance amending Placer County Code.
