SPORTSMEN'S LEGACY FOUNDATION

"HONORING THE PAST, ENSURING OUR FUTURE"

January 2010

The Sportsmen's Legacy Foundation was founded in memory of local community leaders who were dedicated to wildlife conservation and the outdoor heritage that is a significant legacy in Placer County's history. The Foundation is a locally-managed, nonprofit organization with 100% of all contributions benefiting the Foundation's scholarship program. The Foundation is governed by an all-volunteer board of directors representing a wide spectrum of the community.

The goal of the Sportsmen's Legacy Foundation's is to continue building our scholarship fund. This fund provides \$500 scholarships to Lincoln High School students who pursue full-time college studies in wildlife biology or conservation and who participate in our community conservation efforts through the installation, maintenance, and monitoring of wood duck nesting boxes.

Our efforts are making a difference in the lives of students and for wildlife. Every one of the students enrolled in the program completed the requirements last year. Those efforts also paid off for wildlife. The student's nesting results from 2009 were outstanding with their wood duck boxes producing 845 duck eggs and 216 wood duck ducklings!

In addition, the Foundation also annually recognizes local area sportsmen who have been instrumental in promoting sportsmanship education and wildlife conservation.

Contributions made to the Sportsmen's Legacy Foundation are tax deductible to the donor. The Foundation is a tax-exempt, nonprofit organization under the Internal Revenue Code, Section 501(c)(3). Our federal tax identification number is 32-0038124.

On behalf of the Board of Directors, we thank you for your consideration of a contribution to help us reach our goal. In doing so, you are helping build the future of our community.
