Dear Jim,

Mark your calendar for one of the City's premier events – the Auburn Aviation Association's biennial Air Fair "THUNDER IN THE SKY 2010". This event brings participants and spectators from all over Northern California. We will have a fine array of war birds, experimental aircraft, R/C demonstrations, classic cars, food, fun and flying. In past years, the event has attracted 4000+ enthusiastic spectators.

We hope you will consider participating this year as a Sponsor. In addition to showcasing the attributes of the Auburn Airport, this event is the major fundraiser for the Auburn Aviation Association. After show expenses, proceeds will go to funding scholarships for aspiring high school students with an interest in aviation. Many past recipients have gone on to careers in aviation.

The theme this year is "HONORING THOSE WHO SERVE AND PROTECT". I hope we can count on your financial support. Your contribution is tax deductible as Auburn Aviation Association is a 501 (c)(3) organization. Enclosed are a benefit statement, a contribution form and a stamped envelope for your convenience. If I can answer any questions, please call me at 530-906-9101 (cell) or at my home office phone 530-878-9009. Thank you for your consideration. I look forward to meeting with you to discuss your interest, and what we can do to merit your support.

Sincerely,
