by: Mike Boyle, Assistant County Executive Officer

DATE: May 18, 2010

SUBJECT: REVENUE SHARING – Approve a total appropriation of \$8,250 in District 5 Revenue Sharing Funds (Benefit Grant Funds) to the attached list of nonprofit organizations and events recommended by the Citizens District 5 Benefit Fund Committee: West Shore Association “Opening Day at the Lake” Materials (\$1,000), Community Collaborative of Tahoe Truckee Website (\$500), Conexion de Futbol Gym Rental (\$500), North Tahoe Business Association Clean-up Day (\$250), Donner Summit Annual Clean-up Day Materials (\$750), Colfax High School Grad Night Entertainment (\$1,000), Women of Worth Services (\$750), Foresthill Safe and Sober Grad Night Materials (\$1,000), Sierra Education After School Classes (\$500), Placer Sportsman Kids Fish Derby (\$500), Western States Trail Foundation Tevis Cup Ride (\$1,000) and Auburn Family Night (\$500).

ACTION REQUESTED

Approve a total appropriation of \$8,250 in District 5 Revenue Sharing Funds (Benefit Grant Funds) to the attached list of nonprofit organizations and events recommended by the Citizens District 5 Benefit Fun Committee: West Shore Association “Opening Day a the Lake” Materials (\$1,000), Community Collaborative of Tahoe Truckee Website (\$500), Conexion de Futbol Gym Rental (\$500), North Tahoe Business Association Clean-up Day (\$250), Donner Summit Annual Clean-up Day Materials (\$750), Colfax High School Grad Night Entertainment (\$1,000), Women of Worth Services (\$750), Foresthill Safe and Sober Grad Night Materials (\$1,000), Sierra Education After School Classes (\$500), Placer Sportsman Kids Fish Derby (\$500), Western States Trail Foundation Tevis Cup Ride (\$1,000) and Auburn Family Night (\$500).

BACKGROUND/COMMUNITY BENEFITS:

Supervisor Montgomery directed that a citizens committee be established for the purpose of reviewing and making recommendations on the distribution of revenue

sharing funds to various community organizations. The committee has undertaken its evaluation and has come forward with a list of recommendations to your Board from applications received on behalf of various community groups and interests within District 5.

DISTRICT 5 BENEFIT COMMITTEE

Following notices and publicity informing the public of the process and seeking interested citizens, the District 5 Benefit Fund Committee was formed. In addition, to assist the committee in its task of review and evaluation, a list of committee procedures and categories of evaluation was developed. Currently, the District 5 Benefit Committee is comprised of five members; Megan Chillemi, Wally Reemlin, Ann Brown, Ken Baughman and Bob Houston. Posting of the meeting of the committee occurred at the Placer County Administrative Offices, 175 Fulweiler Avenue, Auburn and on the Supervisor Jennifer Montgomery Event Calendar on the County Website. A meeting was held on Friday, April 30, 2010 at 10:00 a.m. with Bob Houston, Ken Baughman and Wally Reemlin present. They voted to recommend the distribution of District 5 Revenue Sharing funds to twelve different entities in a total amount of \$8,250.

In approving revenue sharing contributions, the Placer County Board of Supervisors finds that each and every approved contribution serves a public purpose by promoting the general welfare of the County and its inhabitants therefore a benefit results to the County.

FISCAL IMPACT

Funds are available in the District 5 Revenue Sharing budget.

Dear District 5 Benefit Fund Committee,

The West Shore Association respectfully requests \$1,000 from the District 5 Benefit Fund to assist us with the West Shore Brochure & Map and "Opening Day at the Lake".

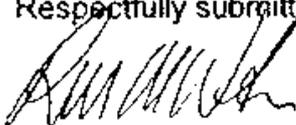

The WSA is again coordinating all the existing West Shore Memorial Day events as a major "shoulder season" marketing promotion to attract visitors to the region over the traditional four day holiday. The WSA will be printing and mailing 3,500 "event post cards" to all West Shore homeowners and distributing an additional 1,000 "Opening Day passports" at area businesses. These passports will list events, times, locations; major raffle prize awards; and provide space for each business to "stamp" the passports. The WSA will provide each participating business with a dedicated rubber stamp and instruction sheets to be circulated to all employees. Each business is totally responsible for their event and stamping visitors passports to qualify for awards.

The WSA has prepared a dedicated web page on our website, will create the third poster (now a series), issue a press release, and create print advertising to identify participating businesses. After the weekend, passports will be collected from all businesses and a time frame will be set to allow people to mail passports back to WSA for the raffle drawing. From the passports WSA will provide businesses with the number of stamps each have received over the promotion to aid in tracking success of their events. 2008 was a moderate success, due to cool weather, yet we're planning for another great series of events for both locals and visitors.

2009 "Opening Day" Recap:

- Over 3,300 Passports mailed, and over 150 Passports circulated.
- 1,000 visitors through the Maritime Museum
- Greatly increased restaurant business by 7% - 12%,
- Over 400 Sea-Plane attendees
- WSA & Granlibakken raised \$750.00 for OHCC (after expenses)

Respectfully submitted,

Rob Weston
Treasurer, WSA

Dear District Five Benefit Fund Committee,

We are very excited to introduce you to the Conexión de Fútbol, our new community outreach program serving at-risk kids in North Tahoe.

Conexión de Fútbol is the flagship community outreach program of the Sierra Mountain Soccer Club. This unique program builds multicultural and intergenerational relationships while serving at-risk youth by offering a fun, yet motivating activity during the "high" season (when many of these kids are unsupervised and unchallenged by school). It provides an opportunity for young people to enjoy a weekly soccer experience under the supervision of caring adults from the soccer, law enforcement and fire-rescue communities; an activity that fosters positive relationships between children and these professionals in the North Tahoe area

Conexión de Fútbol has been highly successful in Summit County, Colorado since it's inception in 2004. Amy Machin-Ward, innovator and director of that program, relocated to Truckee three years ago and is now developing an identical program for North Lake Tahoe. The Summit County area is very similar to our community, demographically and culturally. In just a few years there, Conexión de Fútbol developed into a "Promising Practices Model" and became a staple program in that community. Through Amy's work with the Sierra Mountain Soccer Club and numerous conversations with non-profit and community leaders, she confirmed her belief in the need for the Conexión de Fútbol program here.

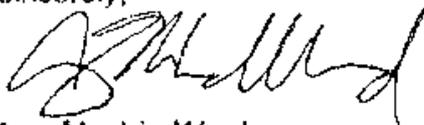

Kids in need of healthy adult role models, kids struggling academically, kids who are "At-Risk" as well as the law enforcement and fire/rescue officers are the primary beneficiaries of this program. We can reduce the amount and severity of juvenile crime in Truckee/North Tahoe area while breaking down barriers between different ethnic and cultural groups. Children in grades 3 to 8 are referred by their school counselor or participating non-profit agencies to participate in a **free** weekly soccer program. The soccer program is conducted by SMSC staff in a collaborative effort with local law enforcement officers, fire-rescue personnel, and community volunteers. The opportunity to play soccer is a highly motivating factor for many young people, especially members of our Latino Community. Participants sign a contract that holds them accountable for their actions in the community as well as for their behavior and academic responsibilities in school. Law enforcement and fire-rescue volunteers mentor and engage the children during organized soccer activities once per week during the ski season, when many of these kids are unsupervised. Through consistent contact with these adults and enjoyable, healthy activity, participants enhance their self-esteem and

their understanding of their responsibilities, while building relationships with officers and Sierra Mountain Soccer Club coaches. They can then begin to make better decisions at school and in the community.

In early January, we began sessions in both Kings Beach and Truckee. At each site, young people are interacting with law enforcement and fire/rescue personnel while enjoying indoor soccer games. Although we received seed money to begin the program, we are in desperate need of additional funds to keep it going through the spring. The gym costs through the school district are very high due to the weekend use, but we believe Saturday is the day when the referred kids are most unsupervised and in need of this healthy activity. A grant of \$1000.00 from the District 5 Benefit Fund would guarantee that we can complete the full program at the Kings Beach site. To date, we have served over 60 kids at the Kings Beach site alone. We are already seeing wonderfully positive results for both the kids and the volunteers and hope that you can help us keep the project alive by helping fund the remaining gym rental costs.

On behalf of at-risk youth in the North Tahoe area, we appreciate your consideration for Conexión de Fútbol as a recipient of the District Five Benefit Fund.

Sincerely,

Amy Machin-Ward
Executive Director

"A Magic Carpet Ride"
COLFAX GRAD NIGHT 2010

December 6, 2009

Re: District 5 Benefit Fund - Grant Application

Dear Committee Members,

On behalf of the Grad Night Committee, I respectfully submit our Grant Application for District 5 Benefit Funds.

Colfax Grad Night was established 20 years ago by a group of Colfax High School parents who wished to provide a safe and sober celebration for our graduates. This event is held on the evening of graduation at the Sierra Vista Community Center in Colfax. It is an all-night, lock down event with a wide range of activities for the graduates: make your own music video, rock climbing wall, inflatable games, music by a DJ, bingo, casino games, caricature artist, henna tattoo artist and lots of great food.

Our goal is for all graduates to choose our safe and sober event over other social events on this very special evening. We have been successful for 20 years... our attendance usually exceeds 90% of the graduating class. Even in these difficult economic times, we have been able to maintain the quality of the event.

We are proud of the contribution our organization makes to the high school community and community-at-large. Our efforts are enthusiastically supported by the Colfax High School Administration, California Highway Patrol, Placer County Sheriff's Association as well as our high school parent community.

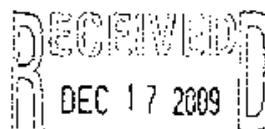

Last year you generously honored our request for funding. These funds helped to offset our entertainment expenses - the largest line item in our budget. If approved again, it is our intention to utilize the funds in the same manner.

Thank you in advance for your consideration of our request. If you have any further questions, please do not hesitate to contact our organization.

Sincerely,

Erika Holm

Colfax High School Grad Night provides a safe and sober graduation celebration for 200+ graduates of Colfax High School. This event provides an alternative to other non-supervised social events and protects both graduates and community motorists on this very important, yet potentially dangerous night. Grad Night is open to all graduates and has tremendous community support.

Please briefly describe how funding will be utilized by listing what items will be purchased:

As in past years, we will assign the funds to our entertainment category, which is our single largest expense area. Entertainment is also the area where we are not as able to acquire donated services. We have contracted with most of our vendors for our 2010 event. We review and reevaluate our entertainment after each year's Grad Night in order to get the most value for our expenditures.

Women of Worth

Because every woman is a woman of worth

December 30, 2009

Placer County Board of Supervisors
Attn: Jennifer Montgomery
Main Auburn Office
175 Fulweiler Ave., Auburn, CA 95603

RE: Placer County District 5 Benefit Fund

Dear Supervisor Montgomery,

Women of Worth has been providing a variety of services to women, children and families affected by domestic violence and sexual assault. Serving Placer and Nevada Counties since 2001, we routinely provide practical assistance in the rebuilding of these families with shelter, fresh start home makeovers, transportation, career and educational assistance, mentoring, and referrals to legal, medical and counseling services.

Whenever we add a new service, the question we ask is: "Will this contribute to starting a safe, new life?"

And since 2001 the services mentioned above are the most commonly needed by families in distress. With that in mind, we will utilize any funding received from the Placer County District 5 Benefit Fund to assist clients with: deposit assistance for safe housing, transportation, childcare, basic care needs, food assistance, and any special needs a family member may have (e.g. medical or dental). Most of the clients who seek our services escaped from their situation with just the clothes they were wearing. Children leave behind school supplies. Babies need new cribs and crippers. Mothers may need basic hygienic/self care supplies or a makeover. Family pets are often left behind.

Any assistance provided by the Placer County District 5 Benefit Fund will be greatly appreciated by WoW and the clients we serve in District 5. During this time of economic uncertainty the need is great, and more and more families have need. Please help us serve them.

Rebuilding lives together,

Sandy Schmitt

Jennifer Montgomery
Placer county Supervisor – District 5
175 Fulweiler Avenue
Auburn, CA 95603

Dear Ms. Montgomery and Placer County Supervisors:

The senior class of Foresthill High School will graduate on June 5, 2009. Our parent committee is planning the fourth annual safe and sober graduation event on the evening of graduation. The goal of the event is to provide a fun, safe, supervised and sober graduation celebration for all the Foresthill graduating seniors and their guest from 9:00 p.m. until approximately 2:00 a.m. the following morning. We are anticipating attendance of approximately 60 students and guests. We plan to offer fun activities such as dancing, casino games, Rock Band, and raffle prizes – an enticement that gets more kids involved.

To keep the event affordable, we have asked for support from local businesses and organizations in donating prizes, food or money. Our generous community has been forthcoming with prizes and food in the past, but with the present economy, cash donations are expected to be low. *We are requesting a grant from the District 5 Benefit Fund for the rental of an inflatable boxing ring with giant inflatable boxing gloves and Sumo wrestling suits.* These physical games have real appeal to teens and have become a staple at graduation parties. The rental cost is approximately \$600.00. F.H.S. Tax ID# is 20-2708279.

If one alcohol related arrest, injury or worse yet, death is prevented by this alcohol-free celebration, then the extensive effort to plan and fund it will have been well worth it – both for our Foresthill graduates and the community in general. If we can gather the resources to make the F.H.S. Safe & Sober Grad Night spectacular, more students will attend; therefore more students will spend the evening of their graduation safe and sober.

Thank you for your time and consideration of our request.

Subject: Proposed Funds Use for District 5 Grant Application

The mission of the Sierra Education Endowment (SEE) is to support students of all ages within the Sierra Mountains and surrounding Foothills. For several years, SEE has sponsored and run an after school program for Foresthill Elementary School which has taught over 500 students in classes such as cooking, ceramics, care of horses, theatre arts, art and crafts, nutrition, computer repair and Spanish.

In order to offer these classes, many volunteer hours and costs for teachers, supplies, and insurance are required. Classes are typically offered at a cost of \$25 to \$30 per semester per student. Due to recent economic difficulties, some families are unable to provide the funds needed to support the classes. SEE would like to offer the fall 2010 semester classes at little or no cost to the parents to allow all students wishing to take advantage of after school learning an opportunity to attend. An example of the classes offered can be reviewed at the website indicated below:

<http://www.sierraeducationendowment.org/fyep.html>

The particular amount SEE is requesting for this grant application is \$800, which will defray the primary costs of the fall 2010 semester classes.

Your review of our request is appreciated.

RE: A Request for Donation for
2010 Kid's Fish Derby

Dear Supervisor Montgomery:

This fiscal year of 2009/2010 will be the 63rd Annual Kid's Fish Derby.

For the years of 2007 and previous, our annual request for donation from the Fish and Game Commission had remained at \$500 as the cost of the trout and other expenses had not increased very dramatically. However, that changed. In 2003, the cost of the trout was \$2,576. In 2004, it was \$2,692. In 2005, the cost decreased to \$2,571.60. But in 2006, a dramatic jump was incurred to the amount of \$3,193.18. In 2007, the cost of the trout remained the same. This is for the purchase of over 1,000 lbs. of catchable trout, including approximately 50 trophy trout in the range of 20"-26". These trout are planted in the ARD lake at Auburn Regional Park for the Kid's Fish Derby held the last Sat. in April each year. However, the overall cost of putting on this event in 2007 was approximately \$4,460.

In past years much of the cost of bait and fishing supplies was donated, but in 2007 our major donator was unable to participate. In 2008, Sportsman's Warehouse helped out with donations, but was not able to assist in 2009. We don't know from year-to-year what to expect, especially with the current tough economical times. The cost, for the purchase of the catchable trout, increased by \$150 for the 2008 Kid's Fish Derby. For 2009, the cost of the trout was \$3,700, an increase of \$357. It is anticipated that costs incurred will not go down this year.

Last year the Fish and Game Commission were able to assist with a donation of \$800. Due to budget constraints, the Fish and Game Commission was only able to assist Placer Sportsmen, Inc. this year with a donation of \$400. If you are able to assist, we will be able to serve the communities by allowing one day to strictly focus on our youth. The young people look forward to this educational event each year and we will probably have 500+ participating young fishermen, as in past years. Again, we are most grateful for your consideration of our request.

Sincerely,

Ron DeMello, President
Placer Sportsmen, Inc.

A: Please briefly describe the Community Benefit the Organization/Event/Program/Project provides:

The 100-Mile Tevis Cup Ride, held annually since 1955 (with the exception of one year due to fires) traverses the magnificent Western States Trail that commemorates the Emigrant Trail from the Tahoe/Truckee region to Auburn. This event has hosted participants and their crews and family from around the world; the number of people this ride has impacted over its history is in the tens of thousands. During the event, some 800 volunteers, 40 veterinary personnel, 200 riders, 300-400 crew members, 40 members of the WSTF Board of Governors and hundreds of people simply curious about the event grace the trail, from base camp to veterinary checkpoints to the finish line in Auburn.

The Tevis, as it is fondly known, brings the following benefits to Placer County:

- Financial benefit to Placer County hotels, restaurants, feed and tack stores, veterinarians, Gold Country Fairgrounds, florists and nurseries, gas stations, horse trailer dealers, truck dealers, grocery stores, horse trainers, equine breeding and training farms, repair garages -- the list is extensive. At one time the Auburn Chamber of Commerce stated that between the Tevis and the Western States Endurance Run, Placer County benefitted by some \$3 million a year. This financial impact helps punctuate the fact that Auburn is the "Endurance Capital of the World."
- Placer County real estate is directly impacted by people wanting to purchase homes with room for horses. Stories abound about people living their "Tevis dream" by buying homes near the trail so they could fulfill their visions of wearing one of these world-renowned buckles.
- In an on-going, herculean effort to keep the Western States Trail open and passable, volunteers have spent literally hundreds of thousands of hours to maintain and develop this trail. We have worked in concert with various governmental agencies over these decades to make sure that this trail lives on in perpetuity. Due to our dedication and vision, a portion of the Western States Trail from Last Chance to Michigan Bluff was dedicated on the National Register of Historic Places.
- The grooming and caretaking of this trail by the Western States Trail Foundation allows people access to a part of this historic Sierra area, whether by foot or horseback, or simply as a magnificent backdrop for a family picnic. Rough and remote, this trail is one of the last vestiges of our Sierra history; it quietly and proudly invites people to participate in a wilderness experience. These intangible benefits are priceless.
- As part of the Foundation's mission to keep the history of this trail alive, the Foundation produced a one-hour documentary on the Trail, including its use by Native Americans, Gold Rush miners, horseback riders and ultra-distance runners. The documentary, "They Crossed the Mountains," is scheduled to be aired on PBS station KVIE during April 2010.

B: Please briefly describe how funding will be utilized by listing what items will be purchased.

Our Trail Committee is in constant need of equipment to keep the trail in pristine condition.

FRIENDS OF THE AUBURN AREA RECREATION AND PARKS, INC.

We are requesting a \$500 donation from the District 5 Benefit Fund to help underwrite our 11th annual Auburn Family Night Out (AFNO). This year AFNO will be held on June 19, the longest day of the year.

Auburn Family Night Out (AFNO) was created to provide a family fun evening, free to the public that would bring downtown and old town Auburn together in a celebratory event. A secondary goal was to create a community-based event, which would have a future life of its own. We conceived a safe and sober event designed to encourage family participation and one that would enhance the community's awareness of our historic districts. Although Old Town and Downtown are different in their look, they are similar in their rich historic past and both are thriving, viable business districts. Net proceeds will benefit the Auburn Recreation District Youth Assistance Fund (ARO/YAF), an Auburn non profit funding families in need who would otherwise not be able to provide classes or program participation for their children.

This event promises to have something for everyone including an 1800's encampment, gold panning, strolling minstrels, and the Court House Museum will provide a Living History display with historically appropriate games and activities. City and County services will have a full-on display behind City Hall with demonstrations from the Fire Department, Police and Sheriff Departments, and the K-9 unit, mounted units and bike patrol units, and the American Red Cross. The Pioneer Methodist Church will have an ice cream social and refreshments and conduct guided tours through the recently renovated Church. Back by popular demand, our now famous Chalk-A-Lot! A chalk art contest for kids 3 to 18 and our Recycle Costume Contest. Several animal rescue groups, a bounce house provided by the 49er Lions Club, a children's area with pony rides and a petting zoo and a variety of "walk around food" and non-alcoholic beverages will be provided by non-profit groups and individuals.

To encourage visitors to walk throughout the event, we have created a special contest. Our visitors use a "passport" brochure to work their way along the mile with stamping stations at 10 designated locations. Once the "passport" is completely stamped, the visitors turn it in at the AFNO booth at the Clock Tower, which qualifies them for several gift baskets, donated by local merchants and businesses, each valued at over \$250.00

Community spirit and pride in our home town begins when we all choose to come together and recognize that we, the people who call Auburn home, are what makes it such a great place to live and work. AFNO is an event for everyone. It is goal of this event to bring Downtown and Old Town together in the spirit of community, and to provide a safe and sober evening for the enjoyment of the whole community. We appreciate your consideration.

Sincerely,

Sheryl Petersen
