FROM: Roger Ingram, County Director
Michael J. Boyle, Assistant County Executive

DATE: June 22, 2010

SUBJECT: Receive a presentation by the Placer County Youth Commission of their Annual Report and an update concerning their experiences, accomplishments and impacts on the community.

ACTION REQUESTED

At the request of the Placer and Nevada County Director and Farm Advisor, Roger Ingram, receive a presentation by the Placer County Youth Commission of their Annual Report and an update concerning their experiences, accomplishments and impacts on the community.

BACKGROUND

On May 12, 2009, the Placer County Youth Commission was established by unanimous vote of Resolution 2009-116. The resolution requires that an annual report be prepared and delivered to the Board of Supervisors on or about June 1, 2010.

The 2009-2010 Commissioners had an exciting first year developing partnerships and collaborations and organizing, planning, and executing community forums and events. This year the Commissioners defined substance use prevention as a priority area. As such, much of their efforts focused on engaging the community to counter underage alcohol consumption in Placer County. The Commissioners would like to present their annual report to the Board of Supervisors and share their experiences, accomplishments, and impacts.

FISCAL IMPACT

There is no fiscal impact from receiving the presentation.
