Honorable Board of Supervisors:

This is a request to apply for your Revenue Sharing Funds program. Attached you will find a flyer advertising our event; a fundraiser car show to benefit the American Cancer Society's Relay for Life[®] of Auburn. The request is for \$405.00; the cost to obtain an Event Permit through the County Planning Division.

Cruising for Health is a Relay Team made up of volunteers who live and/or work in Auburn. This Team has been participating in the Auburn Relay For Life[®] for 10 years. As their main fundraiser for the 2010 Relay Event, they will be putting on a car show August 14th, 2010. All monies raised will be donated to the American Cancer Society, and the \$405.00 for the permit will cut into precious funds that could be given toward fighting the awful disease of cancer.

As I am sure you are all aware, Placer County lost a great friend this year to cancer; Tim Farmer. Tim was well known and thought of very highly within the Placer County offices and in the neighboring districts. This is just one example of a dear life that was cut too short by this terrible disease.

The American Cancer Society Relay For Life[®] unites communities across the country each year to celebrate the lives of those who have battled cancer, remember loved ones lost, and fight back against a disease that takes too much.

Thank you for your consideration of this request. Your assistance will help to promote the general welfare of the County and its inhabitants. Tim will definitely be in our hearts and in our thoughts as we walk the track this year at Relay.
