DATE: November 23, 2010

ACTION REQUESTED

Approve appropriation of \$200 in Revenue Sharing monies to the Lincoln High School *2011 Sober Grad Night Celebration* to help defray the cost of the event, as requested by Supervisor Weygandt (\$200).

BACKGROUND/COMMUNITY BENEFITS: In approving the following contributions, the Placer County Board of Supervisors finds that each and every approved contribution serves a public purpose by promoting the general welfare of the County and its inhabitants therefore a benefit results to the County.

The Board of Supervisors is being asked to approve appropriations to help support the Lincoln High School *Sober Grad Night 2011 Celebration*. The concept of a “Sober Grad Night” originated several years ago with the primary goal being to offer graduating seniors a fun evening in one location as an alternative to drinking and driving. Since parents, communities, and schools have joined together to arrange grad night celebrations, there has been a significant decline in the death toll during the weeks of high school graduation. The funds designated towards this program will help defray the cost of hosting this event.

FISCAL IMPACT

Funds are available in the Revenue Sharing budget.

Re: Placer Community Project Funding

To whom it may concern;

The Sober Grad Night Steering Committee for Lincoln High School is in the process of making plans for Grad Night '11! Our goal is to provide a safe and sober graduation party for our seniors. In order to accomplish this, we need the continual support of our area businesses and organizations in order to raise over \$30,000.00 for the event.

The concept of a "Sober Grad Night" originated several years ago with the primary goal being to offer graduating seniors a fun evening in one location as an alternative to drinking and driving. It is the goal of our steering committee and senior parents. That this grad night be a memorable one for our teenagers, and your support would be greatly appreciated.

We are asking that you consider making a donation to this event. The monies will be used for prizes and the cost of putting on this special evening a very worthwhile event to take place on June 3rd, 2011. There are 345 seniors at Lincoln High School this year.

We appreciate your consideration,
Thank You! The Sober Grad Steering Committee
