

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS

DATE: January 11, 2011

FROM: <sup>KD</sup> KEN GREHM / KEVIN ORDWAY <sup>KO</sup>

SUBJECT: **NOTICE OF COMPLETION FOR BLUE CANYON AIRPORT PROJECT  
– RESURFACE RUNWAY AND PARKING RAMP, CONTRACT NO.1086**

---

## **ACTION REQUESTED / RECOMMENDATION**

Adopt a Resolution accepting the Blue Canyon Airport – Resurface Runway and Parking Ramp Project as complete and authorizing the Director of Public Works to execute the Notice of Completion.

## **BACKGROUND / SUMMARY**

The runway of the Blue Canyon Airport sustained damage during the U.S. Forest Service efforts combating the American River Complex Fire. With administrative assistance from Caltrans' Division of Aeronautics, the Department of Public Works used the California Aid to Airports grant money allocated to the County from the California Transportation Commission to repair the runway damage and resurface the runway and parking ramp.

On May 18, 2010 the Board authorized the Department of Public works to advertise for bids for the Blue Canyon Airport Project – Resurface Runway and Parking Ramp. The Board authorized the Director of Public works to execute the California Aid to Airports grant and award the construction contract to the lowest responsible and responsive bidder. On September 20, 2010 the contract was awarded to Valley Slurry Seal in the amount of \$138,613.20 as the lowest responsible and responsive bidder of the six bids received. Contract work commenced in October and was completed on November 3, 2010. There were 2 contract change orders (CCO) executed for the project; CCO No.1 permitted the contractor to grind existing runway striping and markings from the runway for an agreed to amount of \$3,394.00 and CCO No.2 which was a deductive CCO removed Bid Item No.9 – Paint Traffic Stripes and No.10 Paint Pavement Markings from the contract, for a total reduction of \$16,141.20. The runway stripes and markings were omitted from the contract due to decrease daily temperatures and are expected to be completed in 2011 as part of a separate contract.

## **ENVIRONMENTAL**

This project is Categorically Exempt under CEQA Section 15301(c) and a Notice of Exemption was filed

## **FISCAL IMPACT**

Funding from the California Aid to Airports Program administered through Caltrans Division of Aeronautics and local match coming from the Blue Canyon Airport Account fund the project. Funding for this project is included in the FY 2009/2010 Budget.
