Sponsorships for our 13th Annual Putting KidsFirst Awards Luncheon are available in time for your 2010 community benefit decisions! A sponsorship package is attached or visit www.kidsfirstnow.org for online sponsorship and registration. We hope we can count on your support this year.

Valued community partners like you have protected over 50,000 children from abuse and neglect over the past 20 years with proven services such as early intervention, parent and child relationship coaching, and advanced counseling modalities. Not surprising, these challenging economic times are taking a toll on more families. Now, more than ever, children need your assistance.

As an event sponsor, you will meet this increased need and prevent senseless tragedies such as those recently reported in the press. Tough economic times, job loss, and added stress to already challenged families have led to some critical child abuse and neglect issues which need our attention. Child abuse is 100% preventable; but the needs far outweigh the resources.

We hope you will join us at our 2011 Awards Luncheon to:

- Honor local heroes who are putting KidsFirst in exceptional ways.
- Commemorate April as National Child Abuse Prevention Month.
- Network with more than 300 business and community leaders representing the Region who share your commitment to end child abuse.

Your sponsorship will change a child's life forever.

Our children's future— our future— depends on your actions today!

Sincerely,

Robin Martin
