The AAUW Auburn branch provides scholarships to local women students who expect to pursue college majors in mathematics, science, or business and who have demonstrated outstanding academic and community involvement. While parents of school-age children may be relatively clear on the subject, we suspect that younger and older taxpayers may need more information.

We know that you are vitally interested in keeping local schools and students performing at a high level in order to attract newcomers to our particular locale.

The venue we have selected is the Old State Theatre's Marquee Room but would prefer to rent their auditorium with its comfortable seating and stage. It rents for \$250.

Would your City Council or Placer Board of Supervisors consider **co-sponsoring this forum with any amount**? A check may be forwarded to the above address. If you choose to be a co-sponsor, we will publicly thank you. Please let us know if you will be attending. We thank you for your consideration.

Sincerely,

Pam Robie Hart
