SIERRA COLLEGE

April 1, 2011

Kirk Uhler Supervisor District 4,

Thank you Jim for your interest in Sierra College Patrons! And thank you for your help last year in funding our Outdoor Event permit. Sierra College Patrons is a group of community minded individuals that have an interest in giving to Sierra College in the Arts and Humanities department. We have given almost \$275,000 to the college in grants, scholarships, public art installed on campus, and funding things in the arts departments that have no other source of support. We recently gave easels to the drawing class again and key boards to the music department. To accomplish this we have several fundraisers every year, fashion shows, crab feeds, and our Flea Affaire.

The Flea Affaire is an antique flea market in a private Granite Bay garden on the Saturday after Mothers Day in May, from 9:00 a.m. to 3:00 p.m. This year will be our 10th Flea Affaire. We suggest that our guests purchase a raffle ticket for a \$1 and the vendors pay a fee for their booth. This is not the fundraiser that makes the most money for our cause but it is our most popular fundraiser and friend raiser. Because the owners of the garden support us by funding much of our needs for the day, we clear about \$3000. All of the event is on the property, including parking. We have always offered handicap parking, toilets, water and have a safety plan. The cost of the Outdoor Event permit has increased and takes a significant amount of our profit. Your help in any way would be greatly appreciated.

Again, thank you. We would love to see you at our event this year, May 14th.

Sincerely,

Julie Stringham, president
