The Board of Supervisors is being asked to approve appropriations to help support the Whitney High School *Sober Grad Night* celebration. The *Sober Grad Night* program began several years ago as a means to reduce alcohol related accidents on the evening of high school graduations. Since parents, communities, and schools have joined together to arrange Grad Night celebrations, there has been a significant decline in the death toll during the weeks of high school graduation. Graduating seniors at Whitney High School will safely celebrate their graduation with a drug and alcohol-free party. The funds designated towards this popular program will help defray the cost of this event.
