To: Jim Holmes
Placer County Supervisor

This year we celebrate the 24th year of the Loomis Eggplant Festival. I have been involved since the 2nd year and have seen it mature and grow to an event that we can all be proud of. Our small town swells to 3 times the population of Loomis for that one day and the area businesses take that opportunity to promote their products and services. The food vendors continue to improve and we have an outstanding Wine Garden that is now a permanent part of the festival. We have expanded the children's area which will incorporate more children rides and activities. The entertainment was outstanding last year and we look forward to even more local entertainment throughout the day.

The Chamber's policy has always been to provide a family environment free of entrance and parking fees. This has been accomplished through sponsorship packages. We want to thank you for your support last year as a Diamond Sponsor and hope you will continue to be a part of the Loomis Eggplant Festivals success. We will do our best to promote your company from now until the day after the festival.

Sincerely,

Henry Schneider
