EDWARD N. BONNER
SHERIFF-CORONER-MARSHAL

DEVON BELL
UNDERSHERIFF

To: The Honorable Board of Supervisors
From: Edward N. Bonner, Sheriff-Coroner-Marshall
Date: July 12, 2011
Subject: CAL-ID System Upgrade for the Sheriff's Office

Action Requested

Approve the purchase of system upgrades through our existing vendor Dataworks for the LiveScan Fingerprint and Photomaging™ systems in the total amount not to exceed \$89,265, add the systems to the Master Fixed Asset List (Exhibit A), approve the Budget Revision (Exhibit B) transferring funds within the Sheriff's Office, and authorize the Purchasing Manager to execute all related documents.

Background

Placer County Sheriff's Office has an agreement with the Department of Justice (DOJ) regarding the current LiveScan Fingerprint system. The Photomaging™ system is used primarily at the Jail. The State donated the original LiveScan Fingerprint equipment with the understanding that the County would maintain the equipment, provide adequate staffing to operate the equipment, transmit fingerprints electronically per their requirements, and comply with their rate schedules. The additional Photomaging™ component was purchased through Dataworks as part of the original Integrated Public Safety System currently due to be upgraded. Both the LiveScan Fingerprint and Photomaging™ systems are outdated and can no longer comply with the current standards and requirements

Fiscal Impact

Funding is available from the CAL-ID Trust for the total cost to upgrade these systems. Funding for purchases, system maintenance and operations will be transferred from the CAL-ID Trust to the Sheriff's Information Technology Budget. There is no impact to the General Fund.
