

**MEMORANDUM  
PLACER COUNTY HEALTH AND HUMAN SERVICES  
Adult System of Care**

**TO:** Honorable Board of Supervisors

**FROM:** Richard J. Burton, M.D., M.P.H.  
Placer County Health Officer and Director of Health & Human Services  
Maureen F. Bauman, Director of Adult System of Care

**DATE:** August 23, 2011

**SUBJECT:** Resolution Proclaiming September 2011 as Alcohol & Drug Addiction Recovery Month in Placer County

---

---

**ACTION REQUESTED:**

Approve the attached Resolution proclaiming September 2011 as Alcohol & Drug Addiction Recovery Month in Placer County.

**BACKGROUND:**

In Placer County, many people are living productive, satisfying lives as a result of recovery from alcoholism and drug addiction. Placer County residents receive assistance through the many substance abuse treatment resources provided by Placer County directly or referred to community-based treatment through our Health and Human Services Systems of Care. Many Placer County residents have completed substance abuse treatment, been re-connected to their families, and returned to lead healthy and productive lives. Placer County substance abuse treatment programs were completed by 562 persons during this year.

Treatment programs are only one path to recovery. Other residents of Placer County have experienced recovery on their own or with the assistance of self-help organizations, support from faith-based organizations, or with medication treatment through their medical providers. There is no one path to recovery. Each person's intervention and treatment is unique to his or her individual needs. All paths to recovery will be celebrated at our 11<sup>th</sup> annual "Recovery Happens" event on September 24<sup>th</sup> at Auburn Recreation District Park in Auburn.

This year, the national campaign "Join the Voices for Recovery... Recovery Benefits Everyone" has a focus on healing lives, families, and communities. The 2011 campaign aims to educate the public on the positive changes that are occurring on federal and local levels related to recovery resources for substance use and mental disorders. **Recovery Month**, officially celebrated each September, has become a year-round initiative that supports educational outreach and celebratory events throughout the year as a reminder that treatment works and recovery happens. Over 15 community partners will join our Systems of Care staff and Mental Health, Alcohol and Drug Board members in sponsoring Placer County's 2011 celebration.

Persons in recovery help themselves and the community. Treatment has proven to be cost-effective. Conservative estimates show that for every \$1 invested in treatment for addiction, there is a return of \$7 in reduced drug-related crime, criminal justice costs, and losses from theft. When savings to health care are included, total savings can exceed costs by a ratio of 12 to 1.

We are asking the Board to proclaim September 2011 as "Alcohol and Drug Addiction Recovery Month" in Placer County, to demonstrate continued support and commitment to alcohol and drug treatment and recovery, and to support our local "Recovery Happens" event on September 24, 2011.

**FISCAL IMPACT:**

There is no fiscal impact as a result of this action.

**Before the Board of Supervisors  
County of Placer, State of California**

In the matter of:

Resolution No: \_\_\_\_\_

**Proclaim September 2011 as Alcohol & Drug Prevention,  
Treatment, and Recovery Month in Placer County**

**WHEREAS**, alcoholism and drug dependency are chronic disorders with genetic, psychosocial, and environmental factors influencing their development and manifestations; and

**WHEREAS**, prevention efforts can be effective in reducing the psychosocial and environmental factors; and

**WHEREAS**, alcoholism and drug addiction can and do affect all people and families in our communities; and

**WHEREAS**, alcohol and drugs are the third leading cause of death in the nation; and

**WHEREAS**, untreated alcoholism and drug addiction cost the State's workplaces billions of dollars in lost productivity, absenteeism, and accidents every year; and

**WHEREAS**, untreated addiction contributes to unwanted pregnancy, school dropouts, suicide, crime, juvenile delinquency, dysfunctional families, poverty, joblessness, homelessness, ill health, mental illness, HIV infection, hepatitis, and other deadly infectious diseases; and

**WHEREAS**, successful treatment and recovery programs have been demonstrated to reduce unnecessary State health care costs, reduce costs of lost productivity and increase State productivity by getting more workers into recovery, reduce the number of people in jail and prisons, reduce street and gang violence, reduce school dropout rates, reduce the cost of crime and the rate of recidivism, reduce the burden on law enforcement officials, reduce the total financial drain on our economy, and improve the quality of life for individuals and for society as a whole; and

**WHEREAS**, hundreds of thousands of individuals are living sober, productive lives and paying taxes in this State and our community as a result of prevention, treatment, or recovery services;

**BE IT RESOLVED**, that the Board of Supervisors of the County of Placer, State of California hereby adopts this resolution and proclaims the month of September 2011 as Alcohol and Drug Prevention, Treatment, and Recovery Month, to demonstrate its continued support and commitment to alcohol and drug prevention, treatment and recovery, and encourage individuals and communities throughout the State to participate in its activities.
