Dear Supervisor Weygandt:

"When will I eat next?" and "What will I eat today?" are two questions far too many Placer County seniors are forced to ask themselves.

On behalf of needy seniors in the Lincoln and Rocklin Community Plan areas, we ask for your consideration of support in way of a \$5000.00 Revenue Sharing contribution to our Senior Nutrition programs. Your contribution will assist us in providing meals services to District 2 clients.

We are experiencing an influx of seniors in your area in need of our home delivered meals service (Meals on Wheels Program) as well as an increase of clients who visit our two Senior Cafés in your district. Last year, the cafés alone served 4,032 meals to your seniors.

Obtaining funding to meet these needs has become increasingly more difficult. Without your support, many of your seniors are in jeopardy of discontinuation of meal services and will no doubt suffer from hunger and the ill effects of malnutrition.

It is our organization's mission to provide services that keep Placer County seniors safe, in their homes, and independent for as long as long as possible and we will be honored to partner with you.

Your contribution is priceless to the seniors we serve and we want to share the news of your generosity with as many people as possible! For every meal that you help us provide (with your permission) we will attach a "Your meal today is provided by..." with your choice of signature or closing.

I have enclosed our Senior Nutrition Program brochures. If you have any questions or would like a tour of our facility, please feel free to contact me. I look forward to hearing from you soon.

Sincerely,

Kerri Walker
