

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS DATE: February 5, 2013
FROM: ^{KG} KEN GREHM / PETER KRAATZ
SUBJECT: **HIGHWAY 49 UTILITY UNDERGROUNDING PROJECT**

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution authorizing the Chairman to execute a utility easement to PG&E for the Highway 49 Utility Undergrounding Project. There is no net County cost.

BACKGROUND / SUMMARY

To facilitate the construction of the Highway 49 Utility Undergrounding Project, scheduled for 2014, PG&E has requested Placer County grant a utility easement on a County owned parcel behind the Big 5 shopping center at 2556 Grass Valley Highway. In 1996, the County acquired this parcel from the Golden Chain Mobile Home Park for the construction of Plaza Way. It currently is being used as a County maintained pocket park. The proposed PG&E utility facilities would not interfere with the parcel's use as a park.

ENVIRONMENTAL CLEARANCE

The project is exempt from CEQA under Section 15302(d), Replacement or Reconstruction. The grant of easement is exempt from CEQA under Section 15061(b)(3), no potential to cause significant environmental impact.

FISCAL IMPACT

There is no fiscal impact anticipated to result from this action.
