Honorable Members:

Please accept my application for membership to the Planning Commission, as an at-large representative of Western Placer County,

Having recently retired from my full time position as CEO at the California State Fair, I believe it is time to further invest and give back to my community at large, and now feel I have the time and ability to consider this opportunity, with your approval.

Since moving to Northern California in 1994, Placer County has been our family's only home. We have lived in Newcastle for ten years before settling into our current home in Loomis in 2005.

While my previous career in the Fair industry has more than kept me busy, it's now time for me to offer my services and hope you find my skill set for this appointment valuable.

Respectfully,

Norbert J. Bartosik

NORBERT J. BARTOSIK
General Manager and Chief Executive Officer (Retired)
California Exposition & State Fair

Norbert (Norb) Bartosik served for nineteen years as CEO/ General Manager of the California Exposition & State Fair (Cal Expo) in Sacramento, California. Appointed in 1994, the operating budget doubled from \$15 million to \$30 million during his tenure.

A graduate of the Chicago City College, with an AA in General Business; Southern Illinois University (SIU), with a BS in Finance. Bartosik was born and raised in Chicago, Illinois and graduated from De La Salle High School in 1967. While attending SIU, he was a member and President of Pi Sigma Epsilon, national sales and marketing organization and a member and President of the College of Business Student Activities Organization.

In April of 1972, Bartosik began his career at the Du Quoin State Fair where he was employed for 9 ½ years in several capacities until he became President and General Manager in 1979. While in Du Quoin, he was President of the Du Quoin Boys Club, and a Charter Director and President of the Perry County United Way. He also served as President of Southern Illinois University Business Alumni Association from 1977 to 1979. In 1990, he was inducted into the Southern Illinois University, College of Business and Administration Alumni Hall of Fame.

In May of 1981, Bartosik was hired as General Manager of the Antelope Valley Fair in Lancaster, California. He received a Meritorious Service Award from the 4-H Council of Antelope Valley in 1983 and also served as the Southern Area Director to the Western Fairs Association (WFA) Board of Directors. During his tenure in Lancaster, the dates and attendance doubled.

In October of 1983, Bartosik was hired as General Manager of the Orange County Fair in Costa Mesa, California. While at the Orange County Fair, he was elected President of WFA in 1985 and 1986. He also served on the Board of Directors of the California Authority of Racing Fairs and was elected President in 1989. He received a Meritorious Service Award from the Orange County 4-H Council. He also served on the Board of Directors of the California Fair Services Authority in 1993. He has also served as a member of the California Department of Food & Agriculture Secretary's Advisory Committee on Fairs. During his tenure in Costa Mesa, the attendance, budget and dates also doubled.

Bartosik is a past President/Chairman of the International Association of Fairs & Expositions (IAFE). He became an IAFE Certified Fair Executive (CFE) in 1982. He is a Past President of the Mid-West Fairs Association. In 2001, he was inducted into the WFA Hall of Fame. In 2003, he was also inducted into the IAFE Hall of Fame. The Hall of Fame is the highest individual honor bestowed by the Fair industry.

Bartosik is a former member of the Board of Directors of the Sacramento Convention & Visitors Bureau. He is a former member of the Board of Directors of the North Sacramento Chamber of Commerce. The Fair business has been his only career.

He and his wife, Joan, live in Loomis, California.

Honorable Placer County Supervisors

I read with great interest in the Placer County E-News bulletin of the opening of the At-Large Planning Commissioner position. I am currently serving on the Dry Creek Area Fire Service Community Advisory Committee, however, I wish to expand my involvement with all of Placer County. I have attached my resume for your review. I believe my previous experience would be of great value for the county, having served as Planning Commissioner under former Supervisor Bill Santucci as well as the Dry Creek Municipal Advisory Council. My experience would provide some continuity for the planning process. I hope you find my skills and knowledge beneficial for Placer County as you review my application for the At-Large Planning Commissioner position. I thank you very much for your consideration.

Respectfully,

Noe O. Fierros

RE: Introduction and Cover Letter

Dear Board Members,

The purpose of this cover letter is to introduce myself as well as demonstrate that I am qualified and worthy for an appointment to the At-Large Planning Commission seat.

I am a third generation Placer County (Roseville) citizen. As a small boy I remember delivering groceries with my Grandfather to the people in the old Roseville neighborhood. Our family owned the Columbia Grocery Store on High Street. My grandfather taught me about service and my civic duty early in life. I would go with him and deliver groceries to the blind and elderly customers who were unable to come to our store. When I was old enough I worked in my Dads store, the Main St. Grocery Store and our family continued this level of service, and always gave back.

Since that time the communities of Roseville and Placer County has drastically changed. But part of what makes it a great place to live is that history of service instilled in many of our citizens. I have a desire to expand on my service to this community with a positive impact on how our community is shaped.

Keeping Placer County development moving forward into the next Century while preserving our economy and the environment for the benefit of all its citizens should be one of the main focuses of this Board. Placer County is one of the most diverse Counties in the State with our Farmland in to the west, some industry in the foothills, and tourist industry of the Sierras truly make us blessed. But, this also creates varying land use challenges that may work in Western Placer but are less desirable in the Tahoe region. I believe a Planning Commissioner needs to realize this and take these differences into consideration when making decisions.

I have been in commercial construction industry for 29 plus years. In this time I have been exposed to a lot of different situations and opportunities. The first 22 years I was in the

field building commercial structures as large as 30 plus stories high, working on more hospitals than I can remember, to projects as small as tenant improvements.

In the last 7 years I've had the opportunity to work in a marketing roll as a Field Representative with over 2500 Contractors for the Carpenters to over 24,000 Tradesmen throughout Northern California. Some of that time was spent in my home County of Placer working from North Shore Lake Tahoe to the southern most boarder of our county. These projects include Sutter and Kaiser Hospitals in Roseville, Bridges on the Lincoln By-Pass, the Foresthill Bridge, the Ritz Carlton Resort in Truckee, along with Museums, Schools and 100s of projects of all sizes and types all over the County.

I know what it takes to make a project successful while helping the end product fit into a community. To have an idea and to put that idea in to motion. I have been a part of the struggles, steps and time to make a project a reality. I have a general understanding of the processes around the EIR, TRPA and CEQA.

My community involvement includes being a Trustee on the Roseville City School Board. I decided to run two years ago when things where at its worst with the economy. It's easy to lead when the economy is thriving and the challenges are few, but it is tough to lead when tough decisions like program reduction and layoffs need to be made. But that's exactly why I ran for that position. I was not afraid of hard work and making hard decisions.

I am applying to this Board for many of the same reasons. I hope that we are on the backside of the recession, but if we are not I will be well equipped to face those tough challenges. Regardless, I have the desire to continue to use my time and talents to serve our community and I know I will do well if given this opportunity.

I believe we have a strong County Government, Board of Supervisors, a good general plan, and vision on key issues. Placer County will continue to be one of the best, and I want to be a part of that.

Respectfully

A handwritten signature in black ink, appearing to read "Brian Vlahos", written over a horizontal line.

Objective

To obtain an appointment to the Placer County Planning Commission Board, "At Large" seat. To serve on the commission at the behest of the Placer County Board of Supervisors and in the best interests of the citizens of Placer County.

Highlighted Experience

- 29 years of experience in the construction industry. I have developed my career working in one trade that covers many aspects within the industry, served as a "lead man", or Foreman and promoted this industry through building relationships through marketing. This experience has taught me to understand the private and public construction industry and the affect it can have on a community, and its citizens.
- I am currently serving on local committee(s) which I have volunteered and been appointed. I also currently serve in a local school board, in which I was elected. These experiences have given me the knowledge and skill to be productive in a board of director type of environment.

Experience

Local 9109/46 Marketing Representative

2005 - Present

Assignments

- Marketing Representative with the primary responsibility of building relationships within the construction industry. I meet with business owners, local leaders and construction workers to find cooperative solutions to problems within the public/private construction field.

CD Lathing

2001 - 2005

Assignments

- I worked as a Project Supervisor. My responsibility for a construction contract was all encompassing. I was accountable for all job site manpower resources in my craft, including hiring/firing, mentoring, and staffing. I oversaw multiple job sites/projects simultaneously including staying within budget, job plans/layout, material resource allocation, code adherence and customer satisfaction

KHS & S Contractors

1998 - 2001

Assignments

- I was recruited into this company to work as a Foreman. This was a large company and my assigned projects spanned from medium to large construction projects. I ran construction crews from as little as 3 to as large as 35 workers. I was accountable for the overall success of construction specific tasks involving framing, lathing and many other forms of construction disciplines. I worked hand-in-hand with architects, inspectors, and customers towards the successful completion of these projects. I was responsible for manpower, material allocation, project timelines and keeping within the projects budget. Both public and private funding financed these projects.

Precision Lathing/Raymond Interiors

1991-1998

Assignments

- I worked for both of these companies simultaneously as Journeyman Lather. I also served as the "Lead Man" on many projects. As the Lead Man I oversaw the day-to-day operations over a specific part of a large project. I ran small crews and was accountable to ensure these projects met mandated, and industry standards.

Pierce Enterprises

1984 - 1991

Assignments

- I worked as an Apprentice and Journeyman Lather on small and large-scale construction projects.
