

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS

DATE: May 7, 2013

FROM: KEN GREHM / PETER KRAATZ

SUBJECT: AUBURN FOLSOM ROAD WIDENING PROJECT; NORTH PHASE  
CONTRACT NO. 1151

## ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution approving the project plans and specifications for the Auburn Folsom Road Widening North Phase Project, authorizing the Chair of the Board to sign the cover sheet.
2. Authorize the Department of Public Works to advertise for bids for the Auburn Folsom Road Widening North Phase construction project. There is no net County cost.

## BACKGROUND / SUMMARY

This construction contract is for the North Phase of the Auburn Folsom Road Widening project which will improve Auburn Folsom Road from Bell Drive to Douglas Blvd in Granite Bay, CA. See Location Map.

This is the final phase of the project that will widen Auburn Folsom Road from two lanes to four lanes from Douglas Boulevard to the County Line to handle increasing traffic between the Folsom area, Granite Bay, and Roseville. The City of Folsom constructed a corresponding widening south of the County Line to Folsom Dam Road. Completion of this project will complete the four-lane roadway from Douglas Blvd. to Highway 50. The County's project was divided into three phases: North Phase (Douglas Blvd. to Bell Dr.), Middle Phase (Bell Dr. to Woodchase Dr.) completed in 2011, and the South Phase (County Line to Woodchase Dr.) completed in 2009. Also, as part of the project, a signal was installed at Auburn-Folsom Road and Fuller Drive in 2006.

The proposed improvements for the construction of the North Phase include: widen Auburn-Folsom Road to 4 lanes from the Bell Drive to Douglas Boulevard, construct drainage improvements and replace the San Juan Water District water line through the project area; Construction is expected to begin in late Summer 2013 and will take two construction seasons to complete.

## ENVIRONMENTAL

The Board of Supervisors certified and approved the Final Environmental Impact Report with findings on June 22, 2004.

## FISCAL IMPACT

The total estimated construction cost of the Auburn Folsom Road Widening North Phase Project is estimated \$7,450,000; approximately \$850,000 will be reimbursed by San Juan Water District for the costs related to their water line improvements. The North Phase is partially funded by the State Local Partnership Program of the State Proposition 1B grant program (\$1,000,000) with the remainder funded by the Countywide Traffic Mitigation Fees and South Placer Regional Transportation Authority (SPRTA) fees (\$5,600,000) with no net county cost. The department has budgeted for this contract and funding is available in the FY 2013-14 and the anticipated FY 2014-15 budgets.
