

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS  
FROM: KEN GREHM / WILL GARNER

DATE: May 21, 2013

SUBJECT: **PROPOSITION 1B TRANSIT FUNDS – FISCAL YEAR 2013-14**

---

## ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution authorizing the Director of Public Works to complete the necessary applications to receive \$98,397 in Proposition 1B Transit funds to add to 2 (two) existing projects previously approved by the Board: 1) Onboard Surveillance System (Board approved on May 24, 2011); and 2) Two-way Radio Replacement (Board approved on April 10, 2012). There is no net County cost.

## BACKGROUND / SUMMARY

Proposition 1B is a \$19.9 billion bond measure for various transportation programs which was approved by voters in November of 2006. Two subprograms under the bond measure provide funds for local transit projects. The Public Transportation Modernization, Improvement and Service Enhancement Account (PTMISEA) provides funding for any transit capital project or equipment purchase. The Transit System Safety, Security, and Disaster Response Account (TSSSDRA) provides funds for public transit safety and security projects. These two programs will provide funding through 2017.

For FY 2013-14, the State has allocated the following funds: Placer County Transportation Planning Agency (PCTPA) has allocated \$74,148 in TSSSDRA funds to Placer County and Tahoe Regional Planning Agency (TRPA) has allocated \$24,249 in TSSSDRA funds to Placer County.

DPW is proposing to add \$98,397 in TSSSDRA funds to the following projects: 1) Onboard Surveillance Systems at both Placer County Transit (PCT) and Tahoe Area Regional Transit (TART), and 2) Two-way Radio replacement at both PCT and TART. These projects have been funded by previous allocations of TSSSDRA funds in the amount of \$83,679 for onboard surveillance, and \$104,865 for two-way radio replacements. It is expected that additional funds will be necessary for both of these projects for full implementation for both PCT and TART. The onboard surveillance project is expected to go out to bid this summer for implementation in FY 2013-14. The two-way radio project will be coordinated with Placer County Central Information Technology.

## ENVIRONMENTAL

The project is statutorily exempt from CEQA pursuant to Section 21080(b)(10), as it is a project to provide passenger service.

## FISCAL IMPACT

If the projects are approved at the State, the funds will flow after bonds are sold. Purchase commitments will not be made until the funds are received by Placer County. Given our recent experience with bond funded projects, DPW expects the purchase and implementation of these projects to go through 2016. This revenue and the associated expenditure will be included in future fiscal year budgets.

Attachment: Resolution w/Exhibit A

**Before the Board of Supervisors  
County of Placer, State of California**

Resol. No: .....

**In the matter of: A RESOLUTION APPROVING  
FISCAL YEAR 2013-14 PROPOSITION 1B TRANSIT  
SYSTEM SAFETY, SECURITY AND DISASTER  
RESPONSE ACCOUNT (TSSSDRA) PROGRAM  
FUNDS FOR PLACER COUNTY PROJECTS IN THE  
AMOUNT OF \$98,397.**

The following RESOLUTION was duly passed by the Board of Supervisors  
of the County of Placer at a regular meeting held \_\_\_\_\_,
