DATE: May 21, 2013

ACTION REQUESTED / RECOMMENDATION

BACKGROUND/SUMMARY

The proposed project will provide 1,625 feet (approximately 3.5 blocks) of improvements on Riosa Road from 9th Street to 12th Street including subsurface drainage improvements, curb, gutter, sidewalk, landscaping, and an overlay to the road surface. In 2007, Cemex Inc. and Placer County finalized a Development Agreement for an aggregate operation near Sheridan. Per the requirements of this agreement, Cemex made installment payments to the County to address community impacts of their business. Cemex, Inc has contributed almost \$1,200,000 toward improvements to the Sheridan area and Riosa Road.

ENVIRONMENTAL

A negative declaration was prepared for this project by the Placer County Department of Public Works pursuant to the California Environmental Quality Act (CEQA). A Notice of Determination was filed with the County Clerk on May 22, 2012.

FISCAL IMPACT

The total project cost for this project is estimated to be \$1,700,000. The project is primarily funded through the Development Agreement Funds with Cemex Inc. A final funding package for this project will brought to your Board for consideration after bids are received and actual construction costs are known. There is no anticipated General Fund cost.
