

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS DATE: June 18, 2013

FROM: KEN GREHM / WILL GARNER *YG*

SUBJECT: DIAL-A-RIDE CONTRACT 20543, AMENDMENT NO. 8, AND CONTRACT 12530,
AMENDMENT NO. 6, FY 2013-14

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution authorizing the Director of Public Works to execute, with County Counsel and Risk Management's review and approval, Amendment No. 8 to Contract No. 20543, in an amount not to exceed \$94,403, and Amendment No. 6 to Contract No. 12530, in an amount not to exceed \$145,231, with PRIDE Industries for a total amount of \$239,634 for month-to-month extensions for up to three months to operate Highway 49 Dial-A-Ride and South Placer Dial-A-Ride through September 30, 2013. There is no net County cost.

BACKGROUND / SUMMARY

PRIDE Industries operates the Dial-A-Ride service under two multi-year contracts with Placer County. The Highway 49 Dial-A-Ride provides demand response transit service in the Highway 49 corridor between Dry Creek Road and downtown Auburn. The South Placer Dial-A-Ride provides 1) Dial-A-Ride service in the Loomis and Rocklin area; 2) Dial-A-Ride service in Granite Bay; and, 3) a deviated route shuttle on Taylor Road between Auburn and Sierra College. Dial-A-Ride meets requirements of the Americans with Disabilities Act (ADA). The Highway 49 Contract (20543) was approved in August of 2004, and the South Placer Dial-A-Ride Contract (12530) was approved in January of 2008. An RFP was issued on March 7, 2013 for a new contract for these services. This RFP was issued jointly with the Western Placer Consolidated Transportation Services Agency (WPCTSA) for a contractor for the Health Express service. Four proposals were received on April 8, 2013. The evaluation panel chose to interview two companies – PRIDE Industries and MV Transportation. Negotiations with these two prospective contractors are currently under way. The purpose of the contract amendments is to provide continuing dial-a-ride service until a new contract can be fully executed and approved by your Board.

The proposed charge from PRIDE Industries for both contract amendments in FY 2013-14 is \$58.09 per service hour for a total of \$239,634, which is consistent with the current fiscal year. This includes drivers, vehicle maintenance, reservations, dispatchers and administration. DPW believes this is a reasonable charge compared to other nearby contracted services and the County costs. All other contract provisions will remain the same as in the original contract. In accordance with the Purchasing Policy Manual, Section 1.3(o), County policy allows for the renewal of a contract based on the satisfactory service and reasonable pricing from the vendor.

ENVIRONMENTAL

The project is statutorily exempt from CEQA pursuant to section 21080(b)(10), as it is a project to provide passenger service.

FISCAL IMPACT

The \$239,634 maximum cost of the Dial-A-Ride Contracts for the first quarter of FY 2013-14 is included in the proposed Placer County Transit Budget. These Contracts are funded by City contributions, County Transportation Development Act funds and FTA 5307 funds.
