

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS

DATE: April 22, 2014

FROM: KEN GREHM / RICHARD MOOREHEAD 

SUBJECT: CERTIFICATION OF MAINTAINED MILEAGE RECORDS

---

## ACTION REQUESTED / RECOMMENDATION

1 Adopt a Resolution certifying the Maintained Mileage Records which results in a new total County maintained mileage of 1,044.996 miles. There is no net County cost.

## BACKGROUND / SUMMARY

Section 2121 of the Streets and Highways Code requires that each year, the County submit to the Department of Transportation an update of the County Maintained Mileage Records.

The current total mileage of County maintained roads is 1,044.746 miles. The acceptance and abandonment of County roads resulted in an increase of 0.250 miles to the system, resulting in a new total mileage of 1,044.996 of County maintained roads.

## ENVIRONMENTAL

The action is categorically exempt from CEQA per Section 15301c, Operation of an Existing Highway.

## FISCAL IMPACT

The miles of maintained roads are a factor in some road fund revenue calculations. An increase of 0.25 miles is not a significant change.
