DEPARTMENT OF FACILITY SERVICES  
COUNTY OF PLACER**

Subject: Public Hearing for the Granite Bay Parks, Trails And Open Space Assessment District

---

**ACTION REQUESTED:**

1. Conduct a Public Hearing to consider the adoption of a Resolution approving the Engineer's Report, confirming the diagram and assessment, and ordering levy of assessments for Fiscal Year 2014/15 for the Granite Bay Parks, Trails and Open Space Assessment District, at no net County cost.

**BACKGROUND:** The Granite Bay Parks, Trails and Open Space Assessment District (Assessment District), is a voter approved assessment district formed under the Landscaping and Lighting Act of 1972. This Assessment District provides funding for maintenance, administration and improvements of County owned and/or managed recreational facilities and properties in the Granite Bay area.

On February 25, 2014, your Board adopted Resolution 2014-041 directing the preparation of the Engineer's Report for the Assessment District and initiating the assessment process for Fiscal Year 2014/15. On April 8, 2014, your Board adopted a Resolution of Intent to Levy Assessments for Fiscal Year 2014/15 (Resolution No. 2014-073). The third step in levying assessments for the upcoming Fiscal Year is to conduct a Public Hearing to consider the adoption of a Resolution approving the Engineer's Report, confirming the diagram and assessment, and ordering the levy of assessments. This report is available for review at the Clerk of the Board's office.

**ENVIRONMENTAL CLEARANCE:** This is an administrative action required pursuant to State law. As such, it is not a separate project and is not subject to further environmental review.

**FISCAL IMPACT:** The assessment for the current Fiscal Year is \$72.92 per benefit unit. The proposed assessment for the 2014/15 Fiscal Year will increase by the Bay Area Consumer Price Increase of 2.57 percent (\$1.86 per benefit unit) resulting in a total assessment amount of \$74.78 per benefit unit within the Assessment District boundaries. It is anticipated the assessment revenue will total \$595,997 for Fiscal Year 2014/15. This assessment revenue will fund maintenance, administration and improvements within the Assessment District, with no net County cost.

**NOW, THEREFORE, BE IT RESOLVED**, the assessment to pay the costs and expenses of the maintenance and the improvements for Fiscal Year 2014/15 is hereby levied and the diagram and assessments included in the Report are hereby confirmed.
