

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS County of Placer

TO: BOARD OF SUPERVISORS
FROM: KEN GREHM / KEVIN TABER
SUBJECT: AWARD OF CONTRACT NO. 1178, HOT MIX ASPHALT OVERLAY, SUMMER 2014, PLACER HILLS ROAD

DATE: August 26, 2014

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution authorizing the Chair of the Board of Supervisors to award and execute the construction contract, with County Counsel and Risk Management's review and approval, for Contract No. 1178, Hot Mix Asphalt Overlay, Summer 2014, Placer Hills Road, to the lowest responsible and responsive bidder, Knife River Construction, in the amount of \$672,052.
2. Authorize the Director of Public Works to execute contract change orders up to 10 percent of the contract amount. There is no net County cost.

BACKGROUND / SUMMARY

The Department of Public Works performs various surface treatments on maintained public roadways to protect, preserve, and extend their useful lives. The selection of roads and type of surface treatment is typically a function of the road condition, traffic volumes, and funding. Placer County received federal RSTP funds to place qualifying surface treatments on roads functionally classified Federal Aid Urban (FAU) or Federal Aid Secondary (FAS). Only a small portion of Placer County's maintained miles receive these classifications. Placer Hills Road is one of those roads.

Your Board approved funding for the current project in the FY 2014-15 fiscal year budget. We are proposing to place a hot mix asphalt overlay on approximately 3.2 miles of Placer Hills Road, from Walgra Meadows Road to West Weimar Crossroads in this year's project. A vicinity map of the project location is attached (Attachment C).

Bids were opened August 5, 2014. Six bids were received. Bid Summary results (Attachment A), and a Plan Holders List (Attachment B) are included for your reference. The low bidder was Knife River Construction of Chico. Their bid was \$672,052, which was 21 percent under the engineer's estimate of \$850,000.

ENVIRONMENTAL

This project is Categorically Exempt from the provisions of CEQA as a Class I exemption, Section 15301 (c) "Maintenance of Existing Facilities". A Notice of Exemption was filed with the Recorder's Office on June 2, 2014.

FISCAL IMPACT

Funding is available in the FY 2014-15 Road Construction Budget for Project No. 2975 FY 2013-14 Federal RSTP Overlay. There is no net county cost. Local "match funds" are not necessary due to the availability of toll credits.
