7	System findings summary	108
8	Data: Criminal Justice System	120
9	Data: Jail Population Breakdown	202
10	Data: Jail Capacity Forecasts	231

This report reflects the assistance of many people. We would like to thank the following individuals:

BEKKI RIGGAN | Principal Management Analyst, provided invaluable support throughout this project

JAKE CHATTERS | Court Administrator facilitated the successful collection of case processing data and was always on hand to answer questions

SHARRY SHUMAKER | From the court who oversaw the court data collection

ERIK CARLSON | From the Sheriff's Office, oversaw and developed the software programming necessary to extract system data

MARSHALL HOPPER | Chief Probation Officer, greatly assisted this project by dedicating staff to assist with data collection. Criminal history information for the case processing sample; inmate data and interviews for the Inmate Risk Study; Pretrial data collection; and more, was supplied by the hard work of his staff

BRANDY DUNKEL | Probation Department Staff Services Analyst for her meticulous and cheerful assistance with the data

DAVID KEENAN and **MEREDITH MURDOCK** | Senior Probation Officers, for their hard work in collecting the detailed inmate data for the Inmate Risk study, and supported by Deputy Probation Officers **TOM GARDNER** and **MICHELLE HAMILTON**, and by intern, **LEAH FEDOR**

STEVE SWINK | Program Supervisor and Drug Court Coordinator, for his eager assistance in the examination of that program

We would also like to thank **CYNTHIA BIGBEE** and other staff from the Health & Human Services for their help in data collection, which included an analysis of Behavioral Health interviews for a sample of probationers.

Finally, we want to thank **JORDAN RAWLINGS** the statistician for David Bennett Consulting, who provided all of the data routines contained in this report.
