Subject: Introduction of Ordinance to Amend Salary Plan and Grade

ACTION REQUESTED

Introduction of an un-codified ordinance to amend the Unclassified Service – Schedule of Classifications Ordinance to change the Salary Plan and Grade for Film Office Program Manager from Unclassified Service (UNCL, U24), to Unclassified Management Service (MGMT, 420).

BACKGROUND

The position of Film Office Program Manager was established by un-codified Ordinance and adopted by the Board of Supervisors on July 13, 2013. The position was placed on the Unclassified Service Salary Plan at Grade U24.

Since creation of the position, staff from Personnel, County Counsel, and the County Executive Office have evaluated the level of duties and responsibilities required for the performance of the Film Office Program Manager. Based on the rigorous review process of all parties involved, it is recommended the unclassified Film Office Program Manager classification be amended and placed on the Management Salary Administration Plan at Grade 420 (MGMT, 420).

The Ordinance therefore removes the Film Office Program Manager from the Unclassified Salary Administration Plan and places the position on the Management Salary Administration Plan. There is not a matching Salary Plan between the two schedules, which causes a slight (0.5%) increase in the Film Office Program Manager salary in order to align with the proposed management salary grade.

FISCAL IMPACT

The action to amend the Schedule of Classifications results in an hourly salary increase for the classification of \$0.23 per hour, or \$478.40 annually. Additionally, the incumbent will be eligible for benefits based on the current management benefit plan. The cost of this position will continue to be funded by the Economic Development Division of the County Executive Office, where the position is allocated.
